Angelique's Romance
With Girls And A Guy

In a futuristic world of the late 21st century, an ageing woman and her girlfriends decide to share the same man.

Millions of men have renounced relationships in favour of robots. But most women still crave relationships with real humans.

Meet Angelique: her friends think she's nuts - and they're not far wrong. She decides to share her man with her best friend. Then her best friend meets a sensual woman in her 70s, with a fetish for domination. What ensues is a crazy series of adventures (and misadventures). It all escalates when Angelique meets a shy, submissive woman who wants to break out of her shell - someone who can become her slave.

Available on Amazon and Kindle.

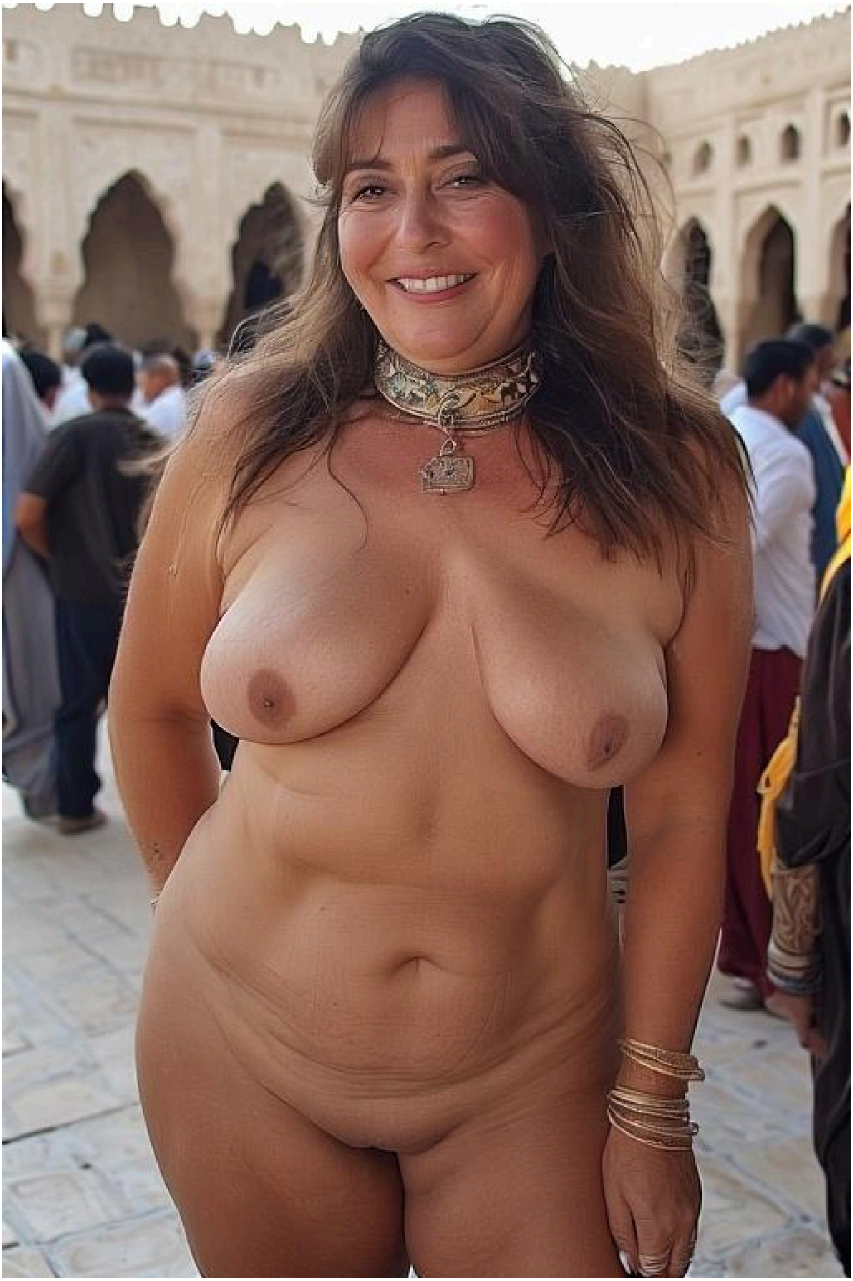
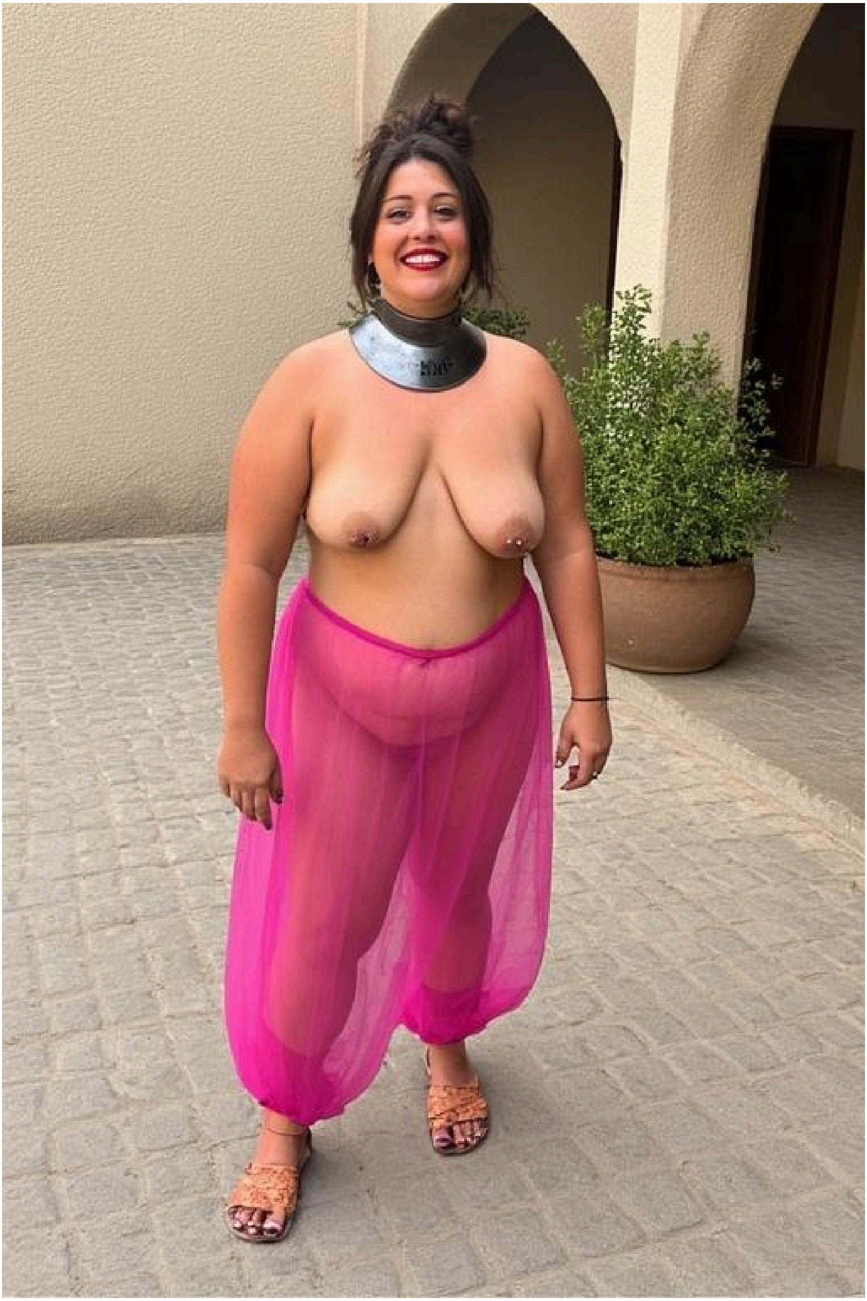
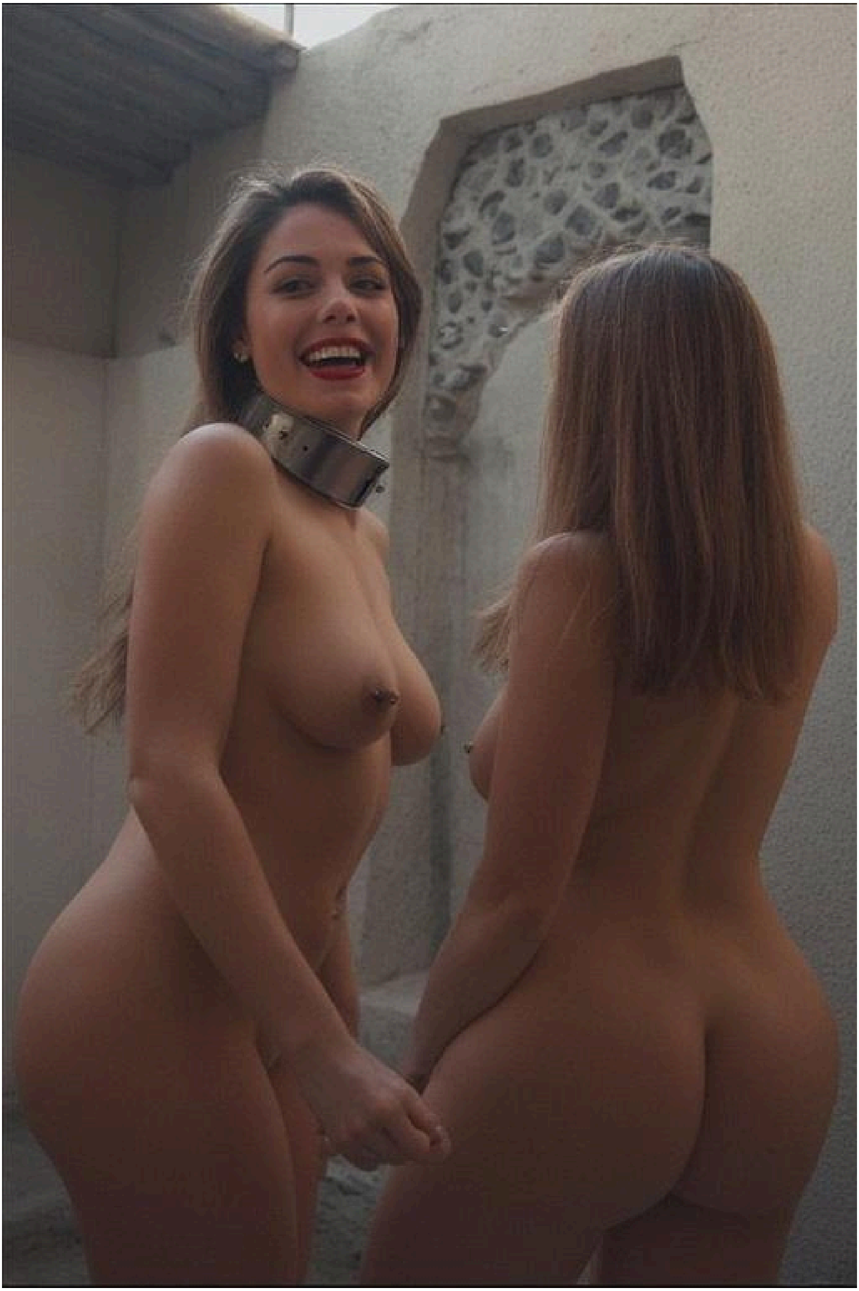
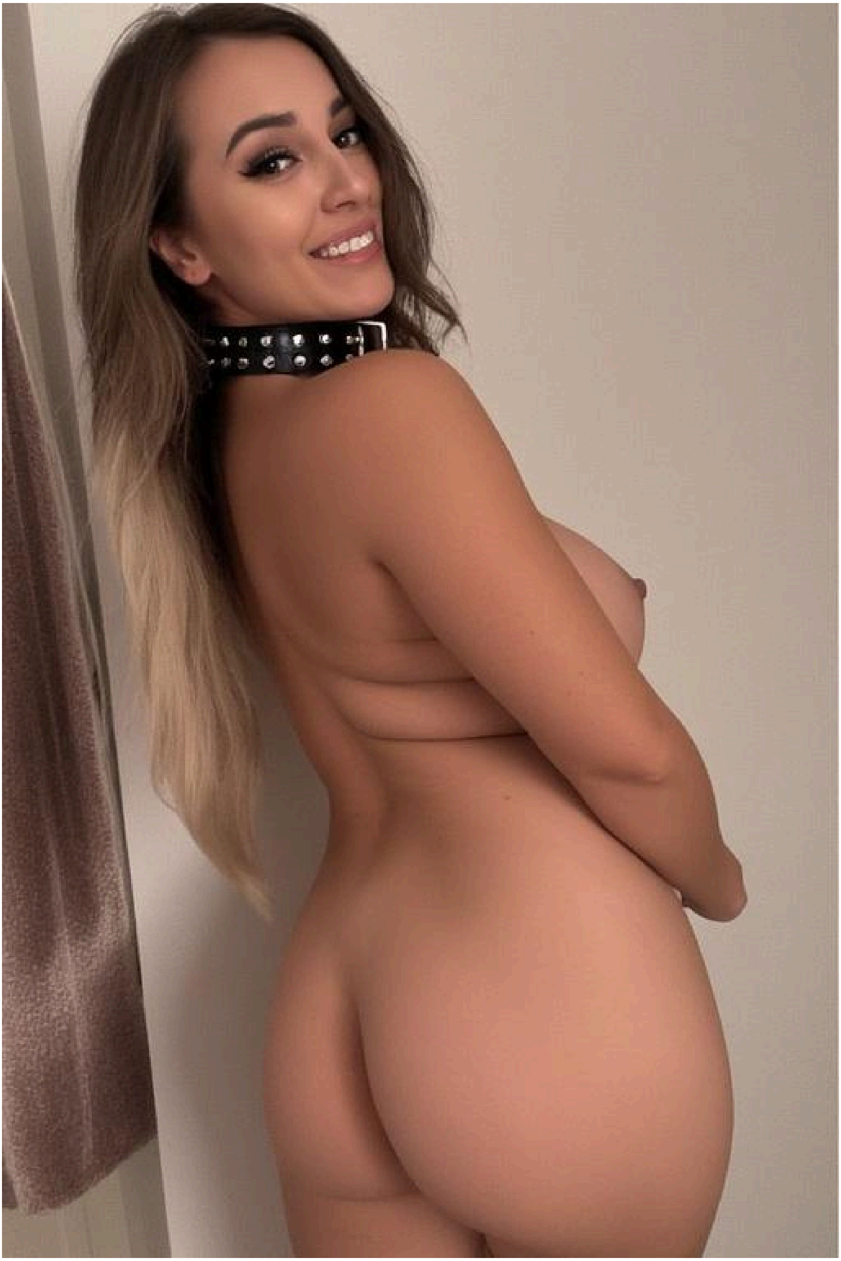
The Harem Experience

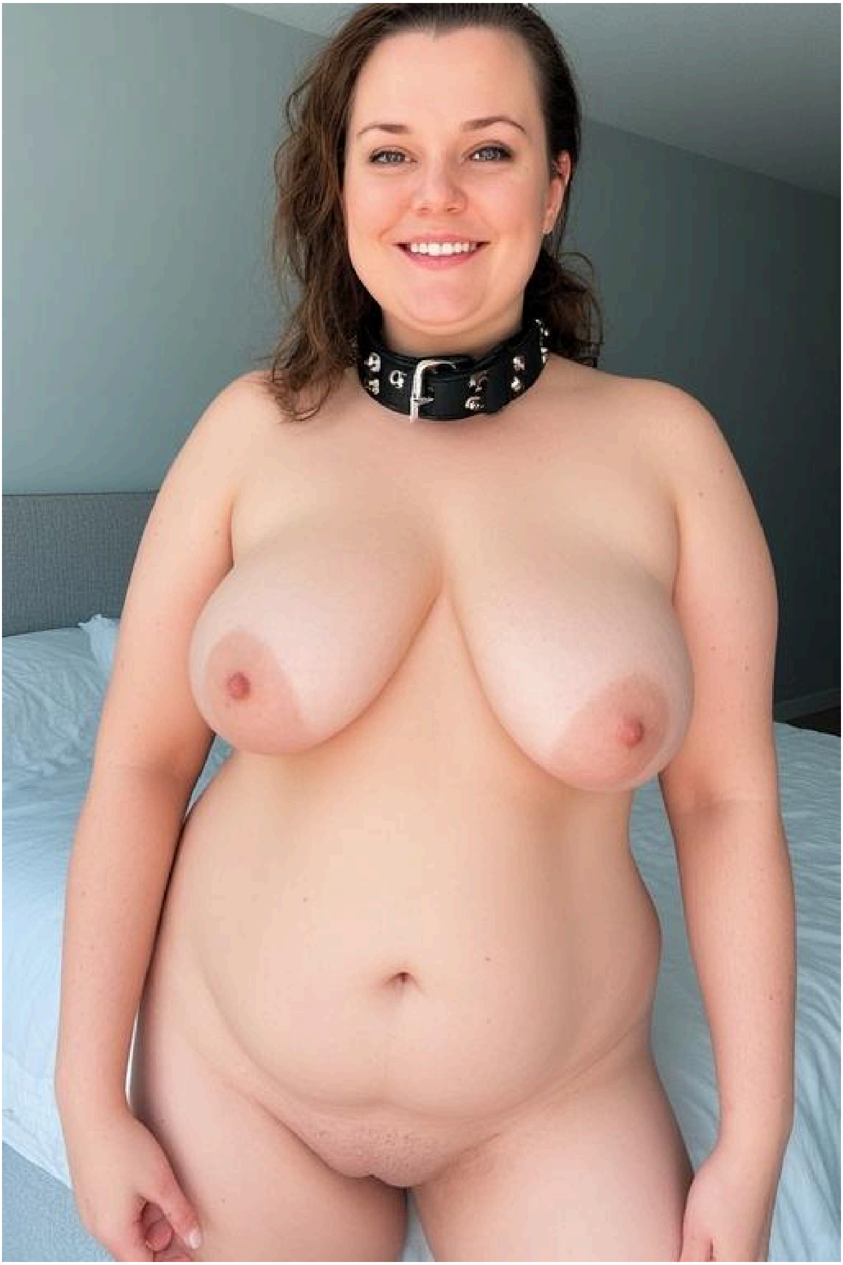
In many parts of the world, wealthy female tourists want to know what it’s like to be a slave girl in a harem. They pay for a harem experience. At the headquarters of *Perfectly Imperfect Gals*, we offer this experience if they pay us $1,000 and pose for the magazine. The women who posed described the experience as “empowering”, “thrilling” and “erotic.” They spend a whole week with no clothes and no technology. They have to scrub the floors, clean the toilets, make tea, please their master and belly dance.

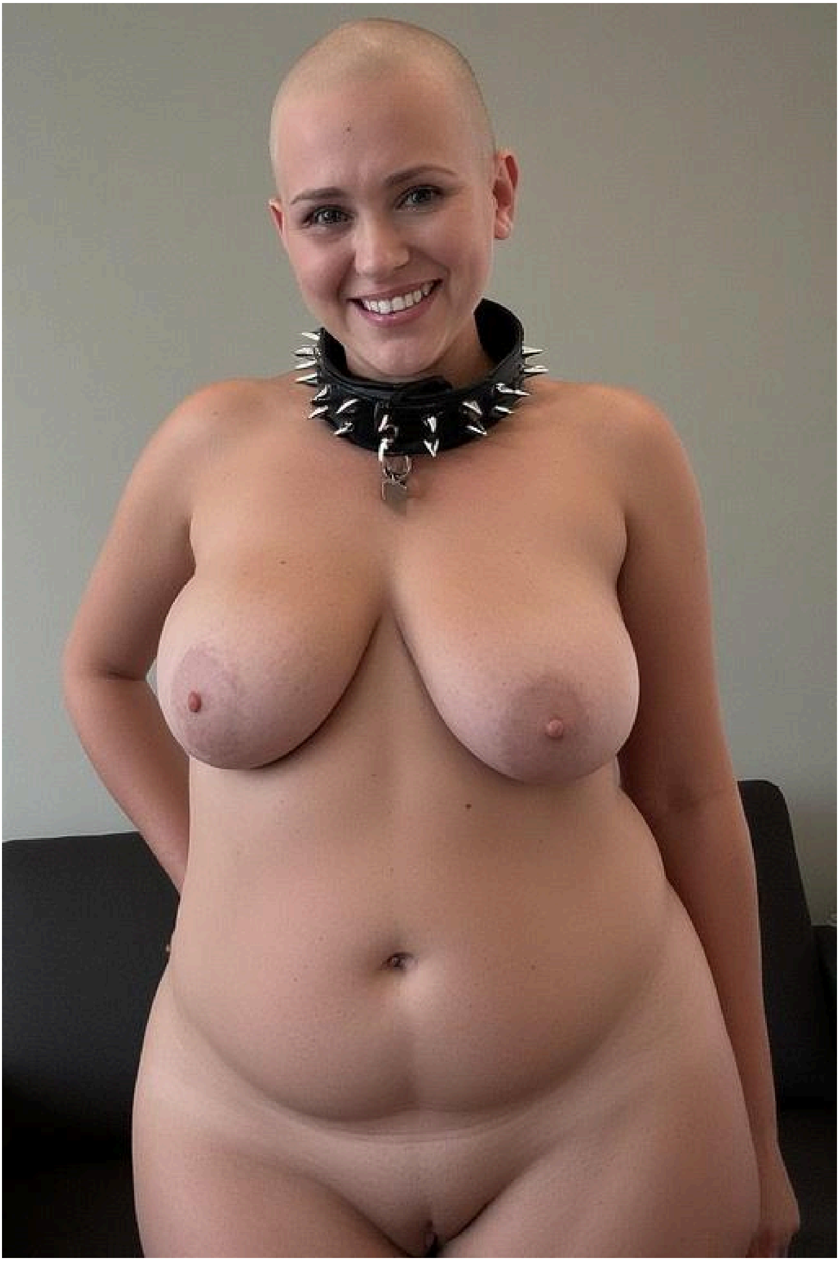


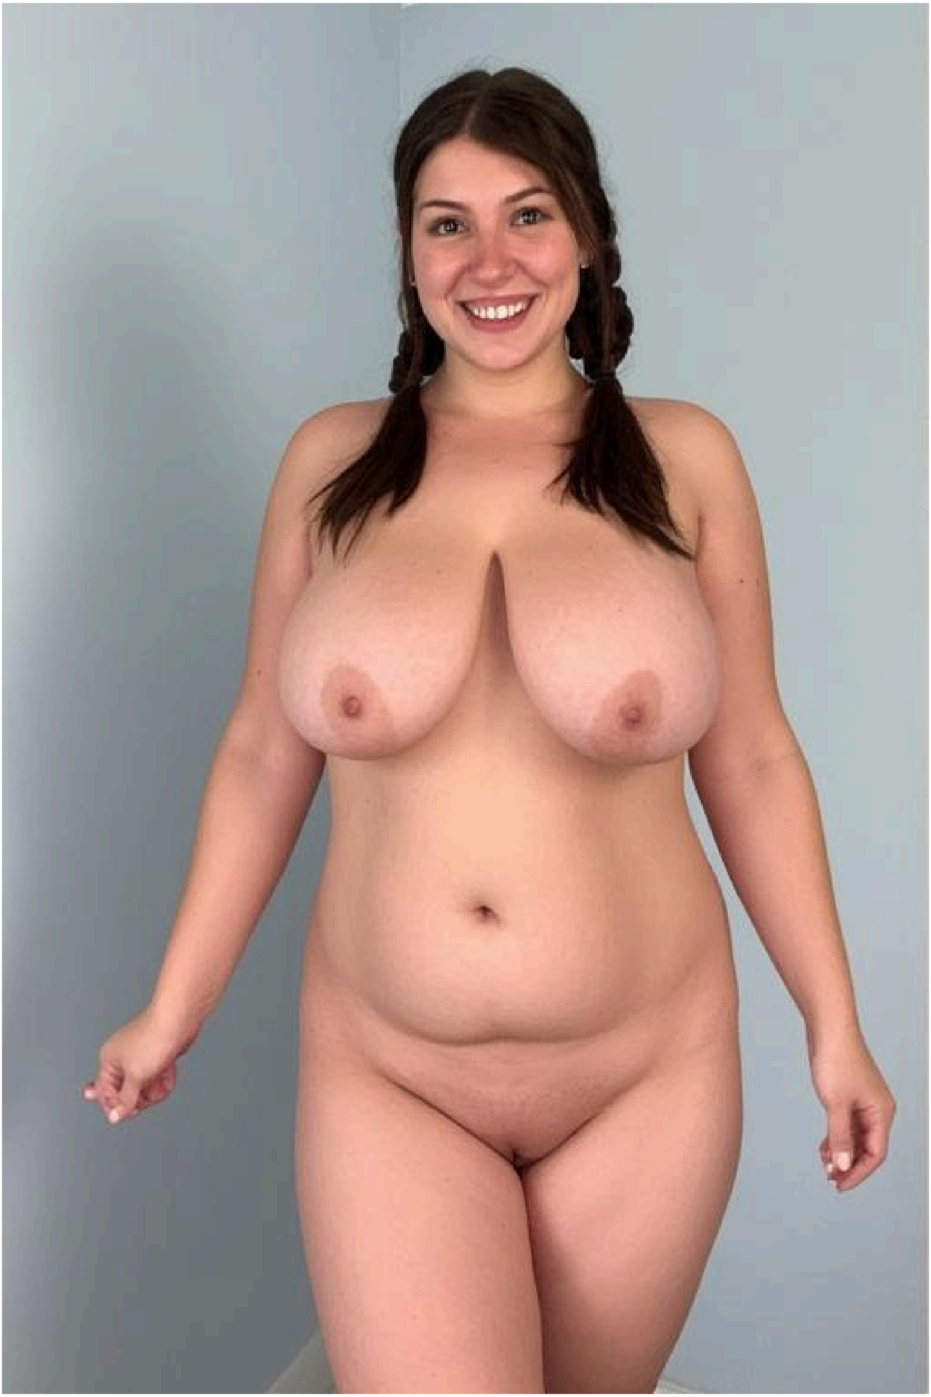










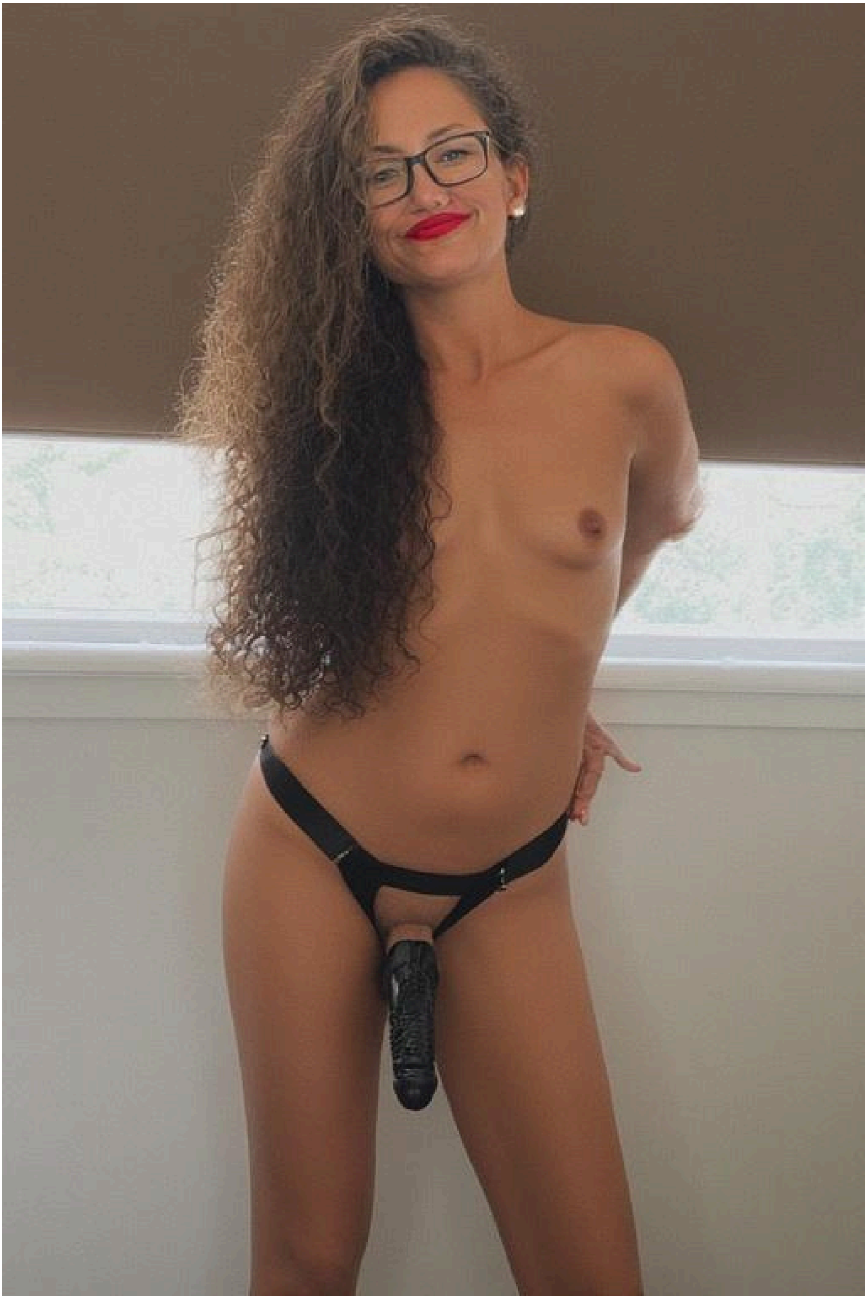


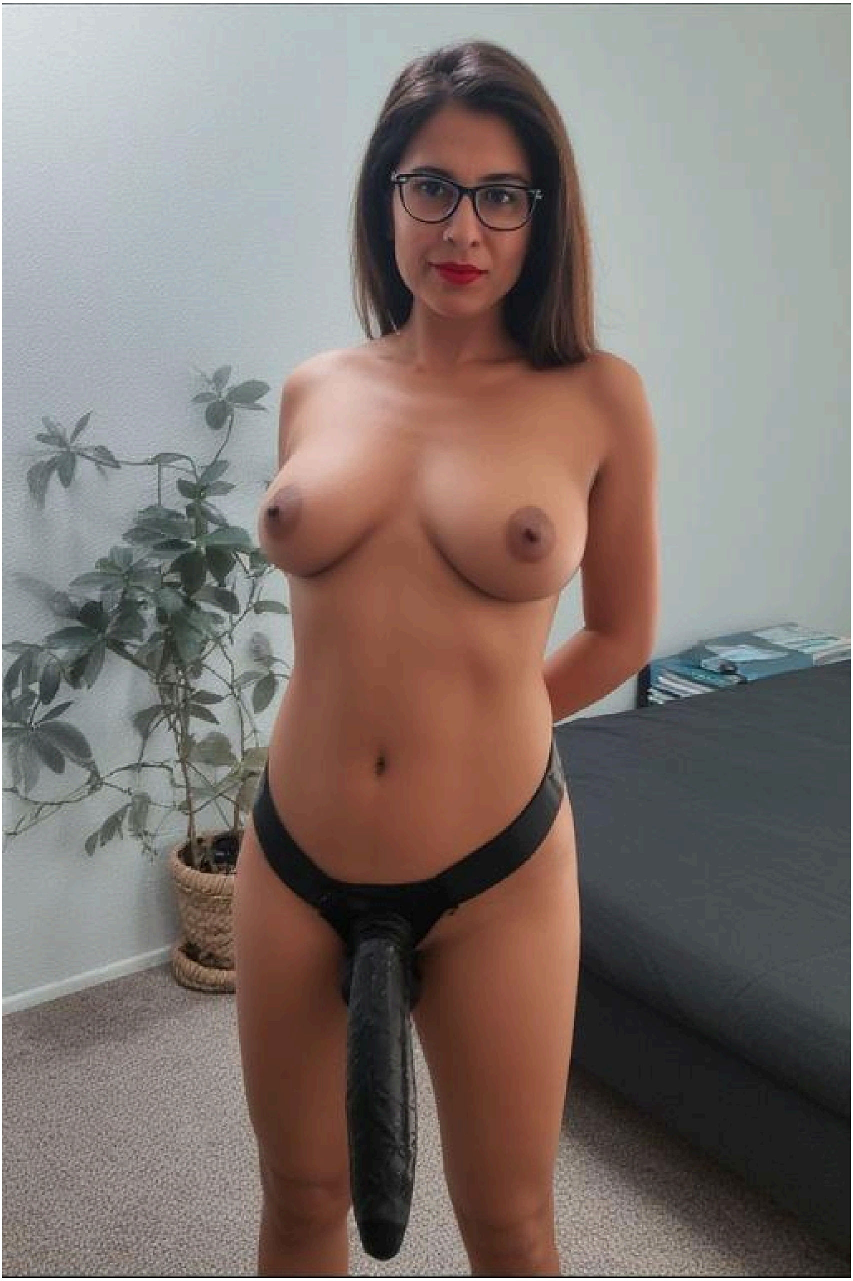
Ladies in Stockings & Suspenders

I suspect that our readers enjoy seeing women. And not just women, but those wearing stockings and suspenders. If you're unsure what stockings and suspenders are, just have a look here.

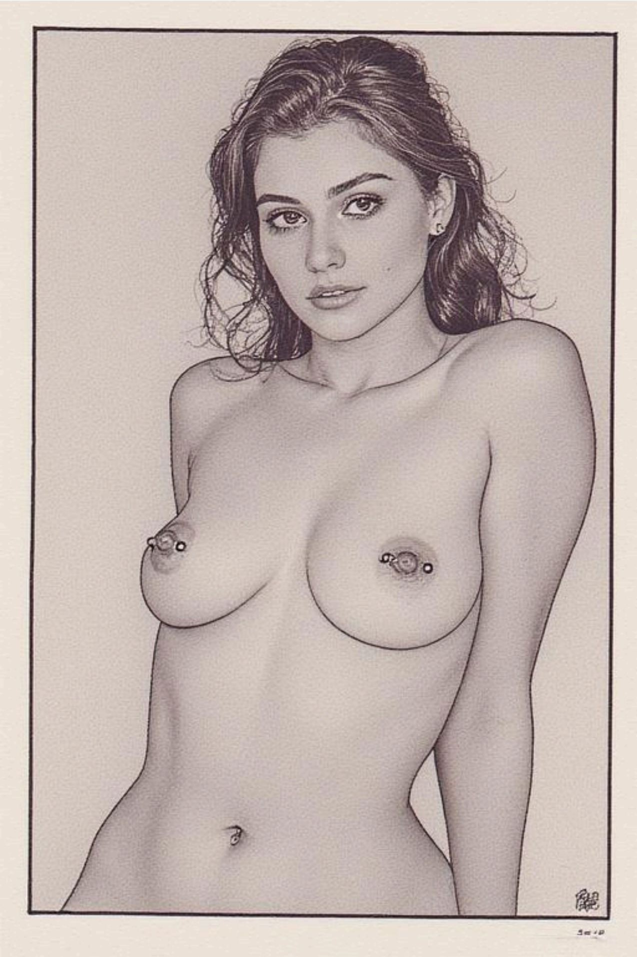
Feminists

We asked a group of feminists if they wanted to pose for our magazine and promote their beliefs. They agreed on one condition.
So they told us to remind you readers that International Women's Day is a mere six months away! The 8th March 2026, is a good opportunity for you to educate yourself on women, show them proper respect, and offer yourself up to a feminist to use you, as she deems fit. Now get off your arse and get it into gear!

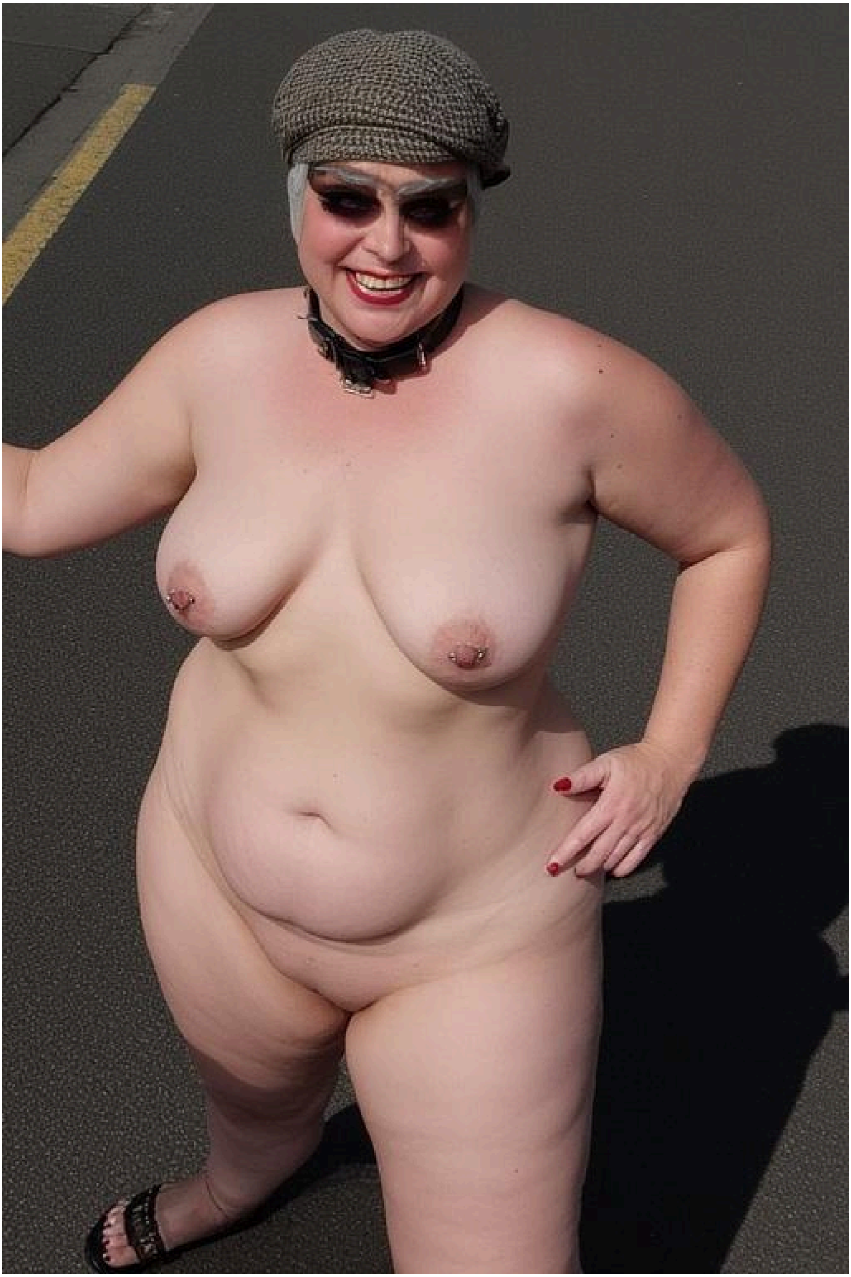




Nipple Piercings

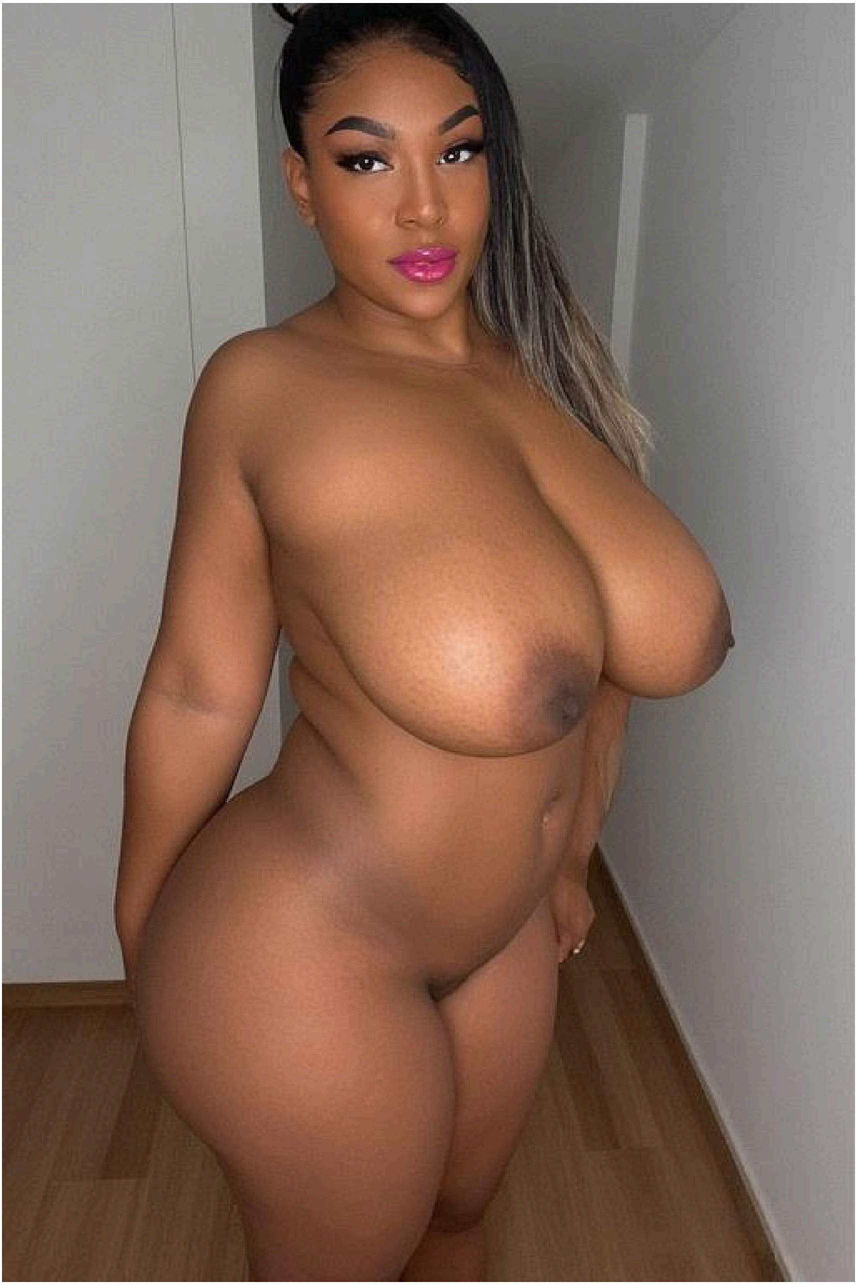


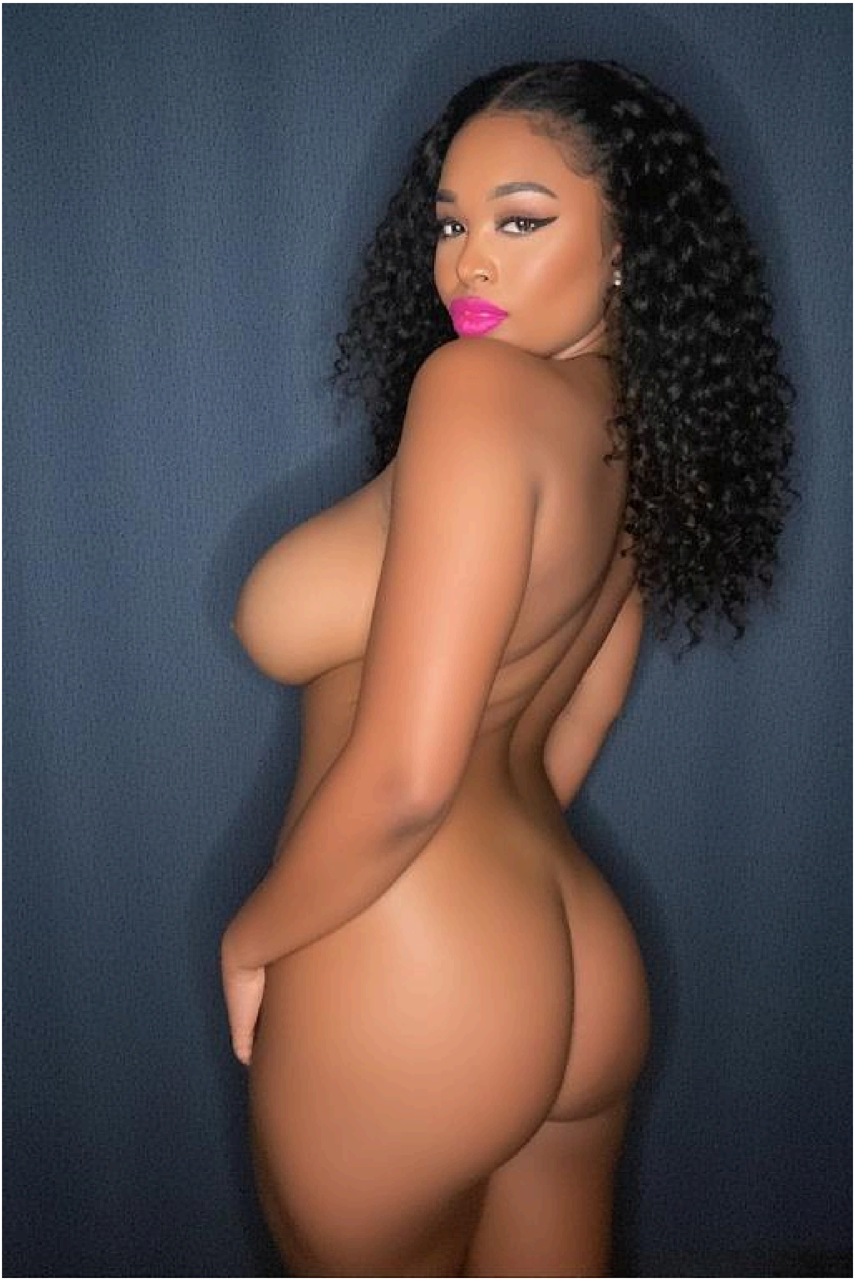
We asked a lot of women if they were interested in posing for our magazine for free. Most walked off offended. But the few who agreed to listen to our offer, we would get their nipples pierced in exchange for a photoshoot. They all readily agreed.

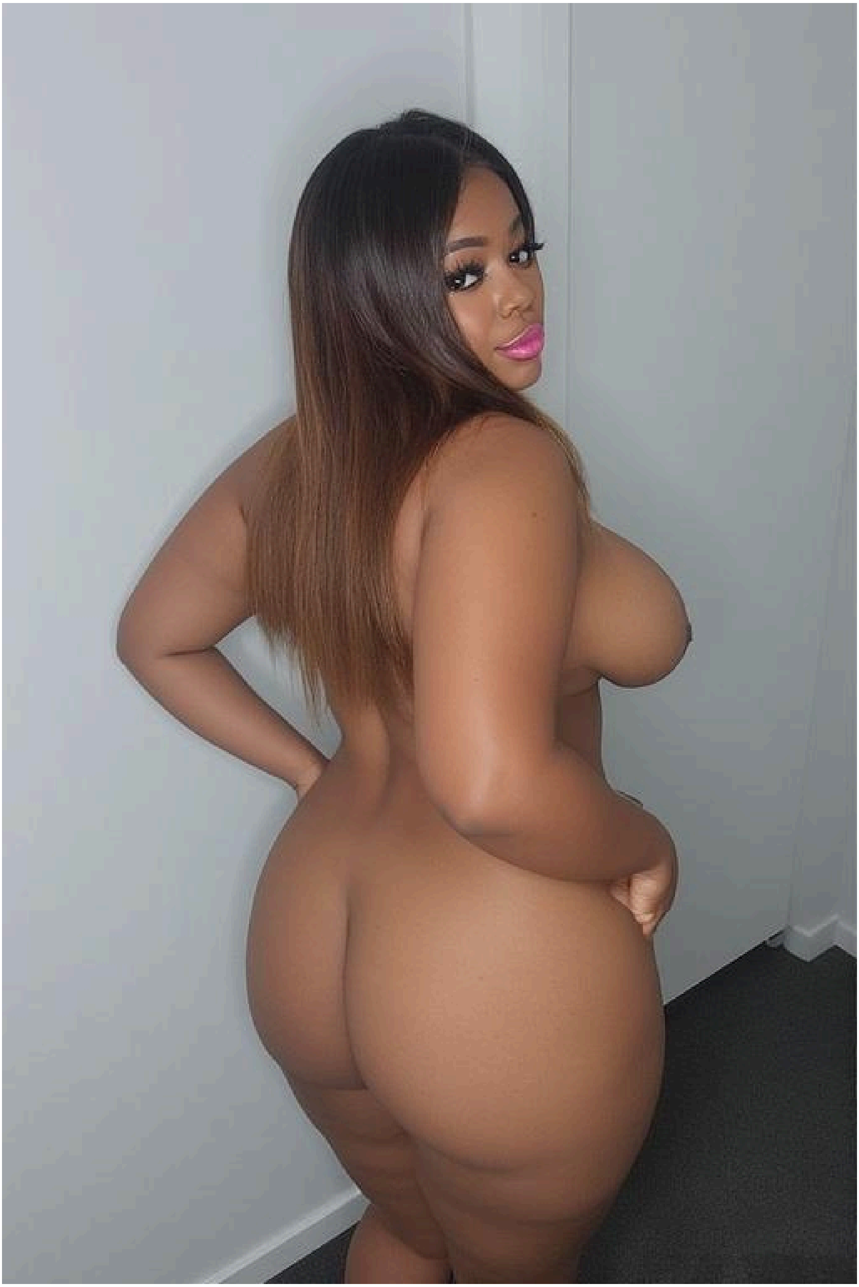


Zimbabwean Women

It’s generally agreed that Zimbabwe is the most prosperous and successful country in all of Africa. I highly recommend visiting it. It has lots of natural beauty to take your breath away. Our team at *Perfectly Imperfect Gals* went to Zimbabwe and photographed the country’s incredible scenery.

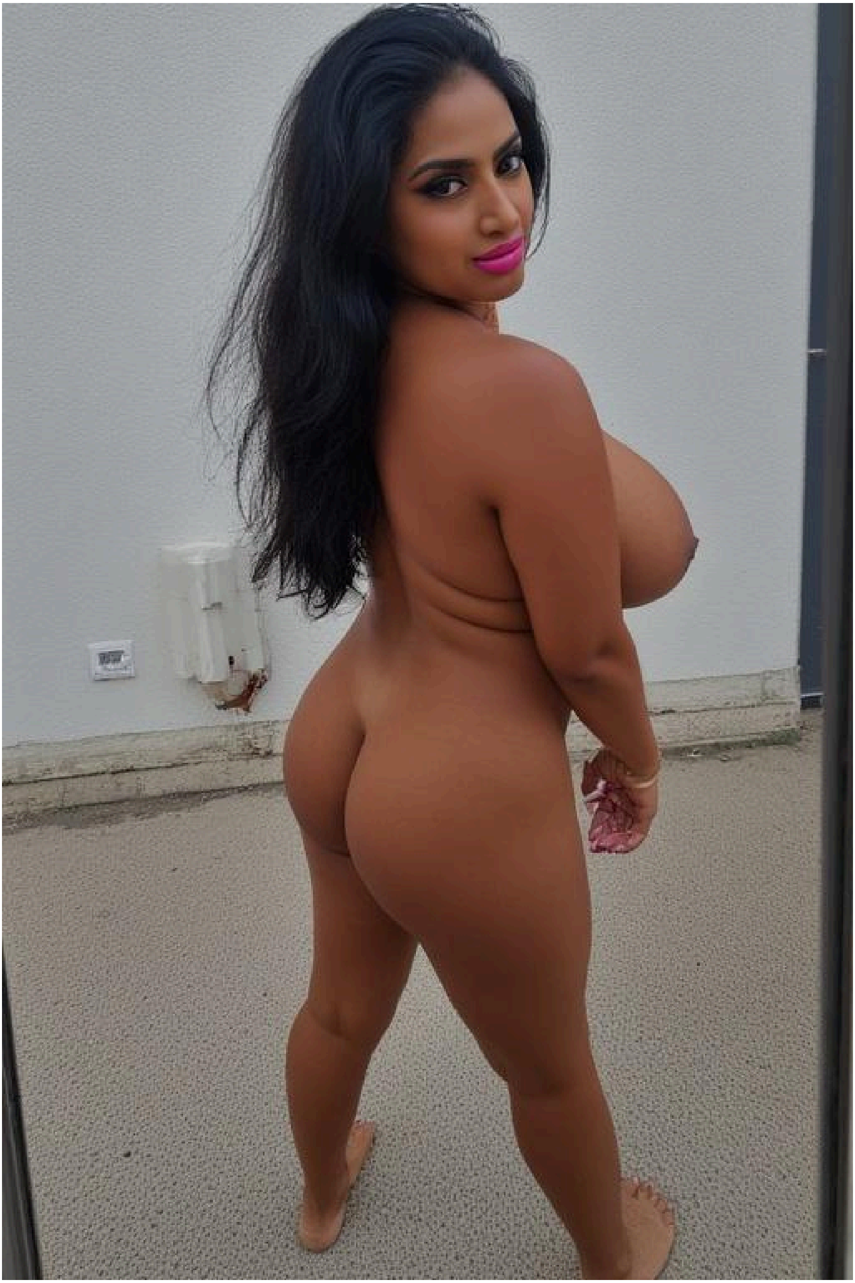


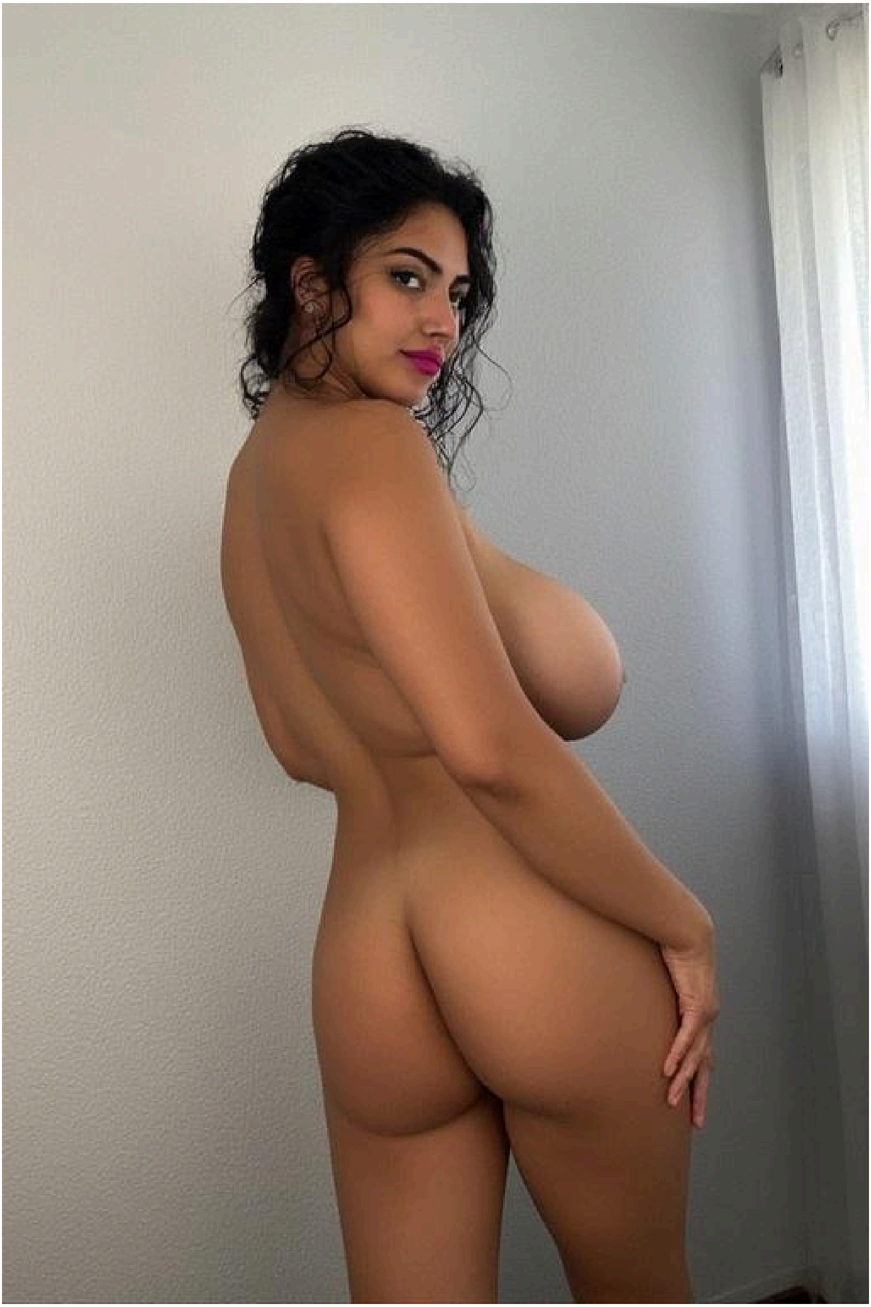


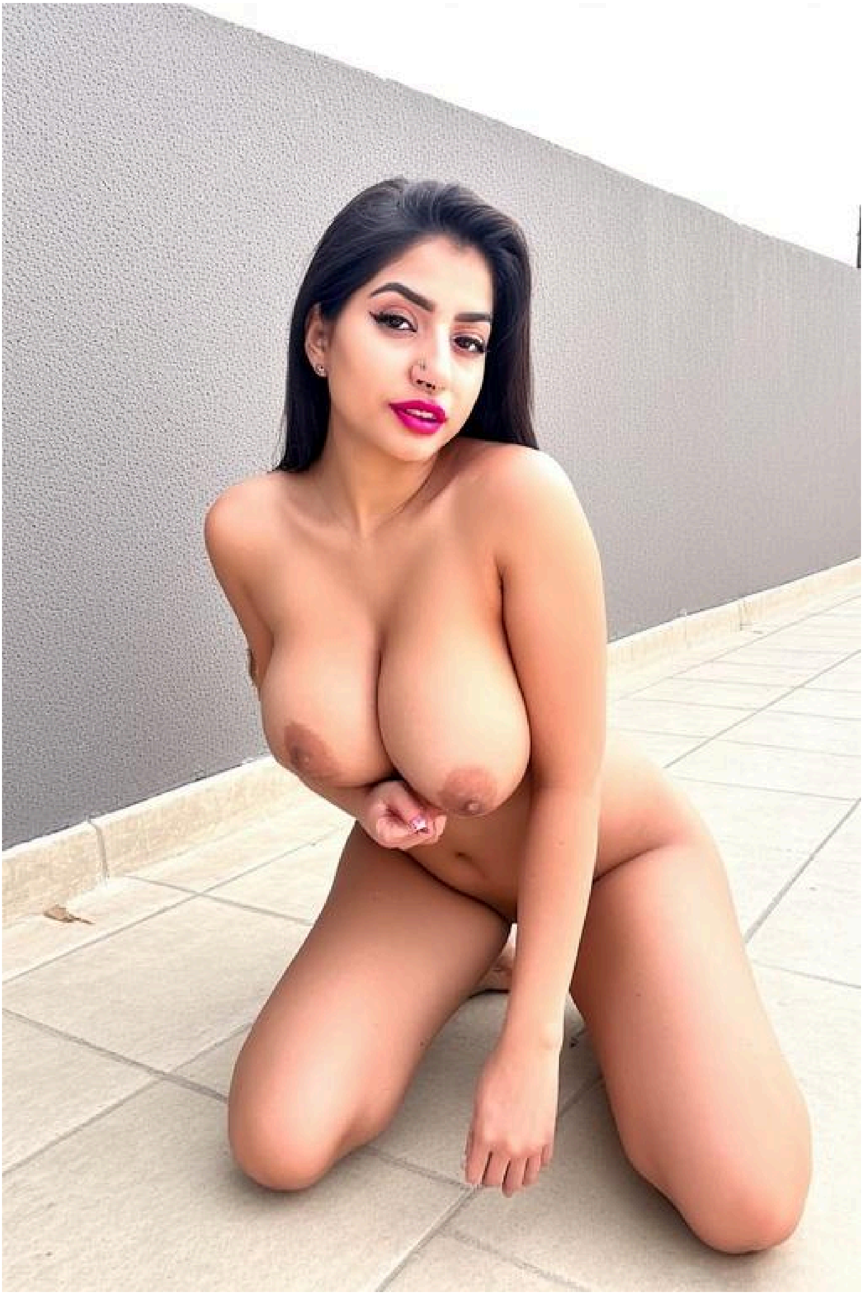


Busty Babes

There are many women with large breasts, and it’s quite appealing. If you don’t believe me, just look at these pictures!

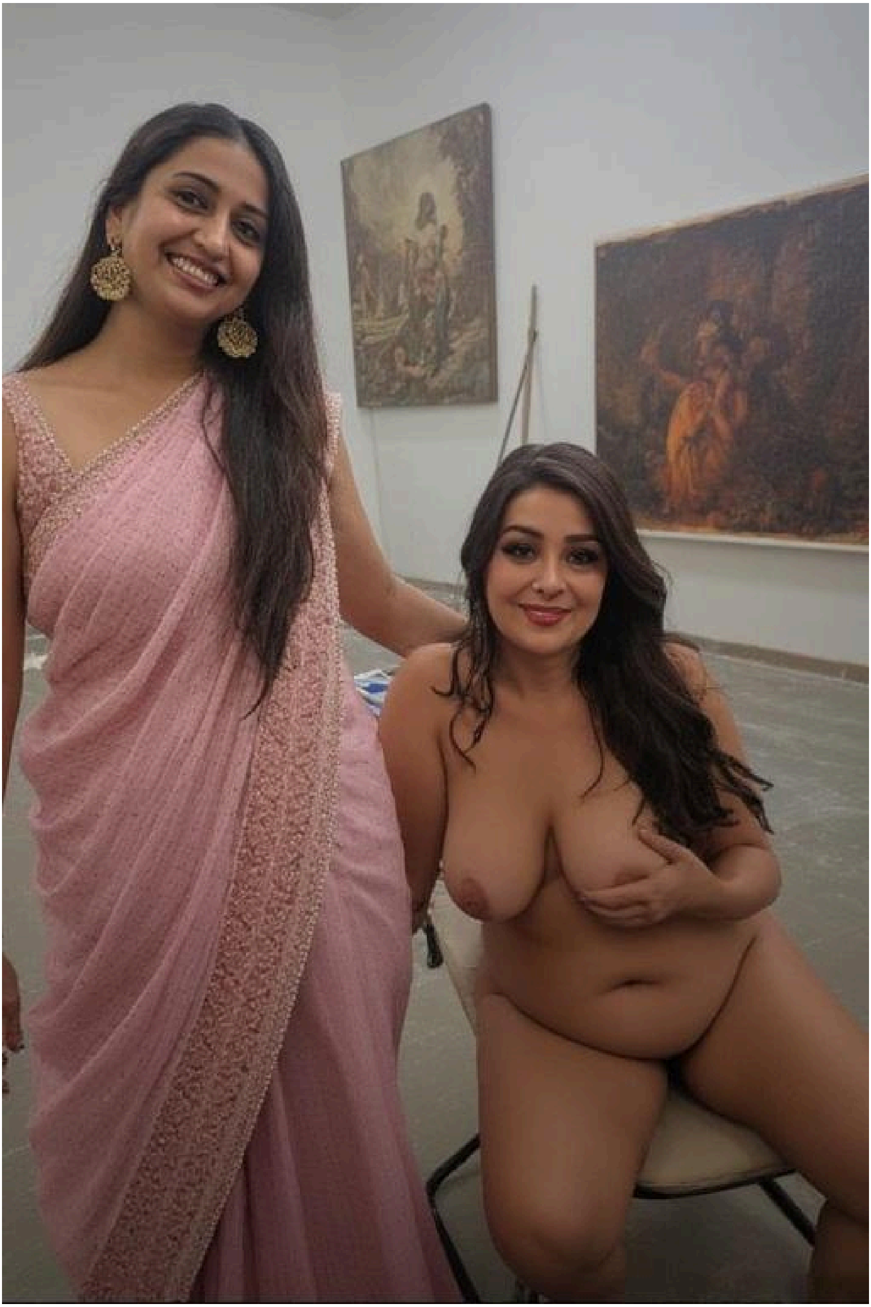


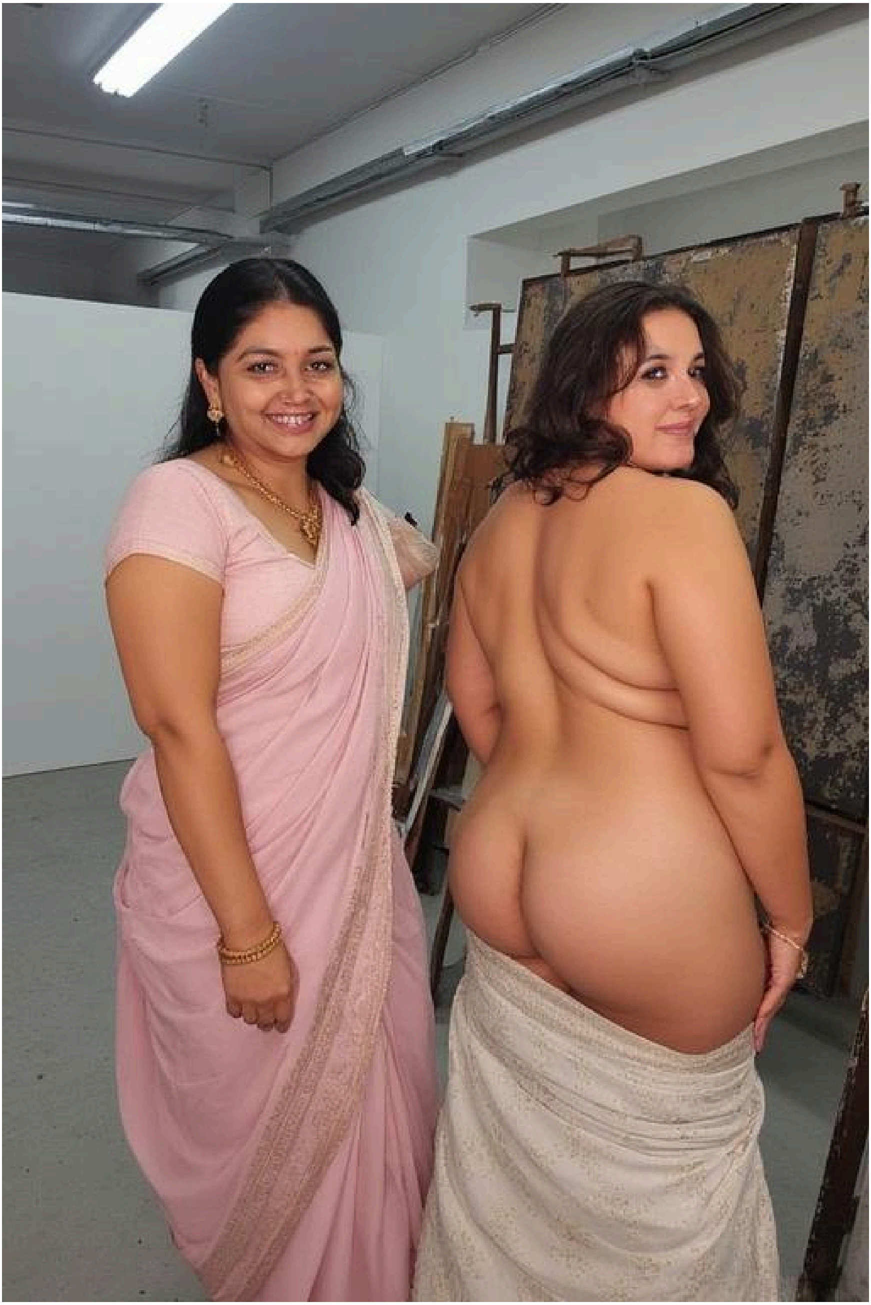


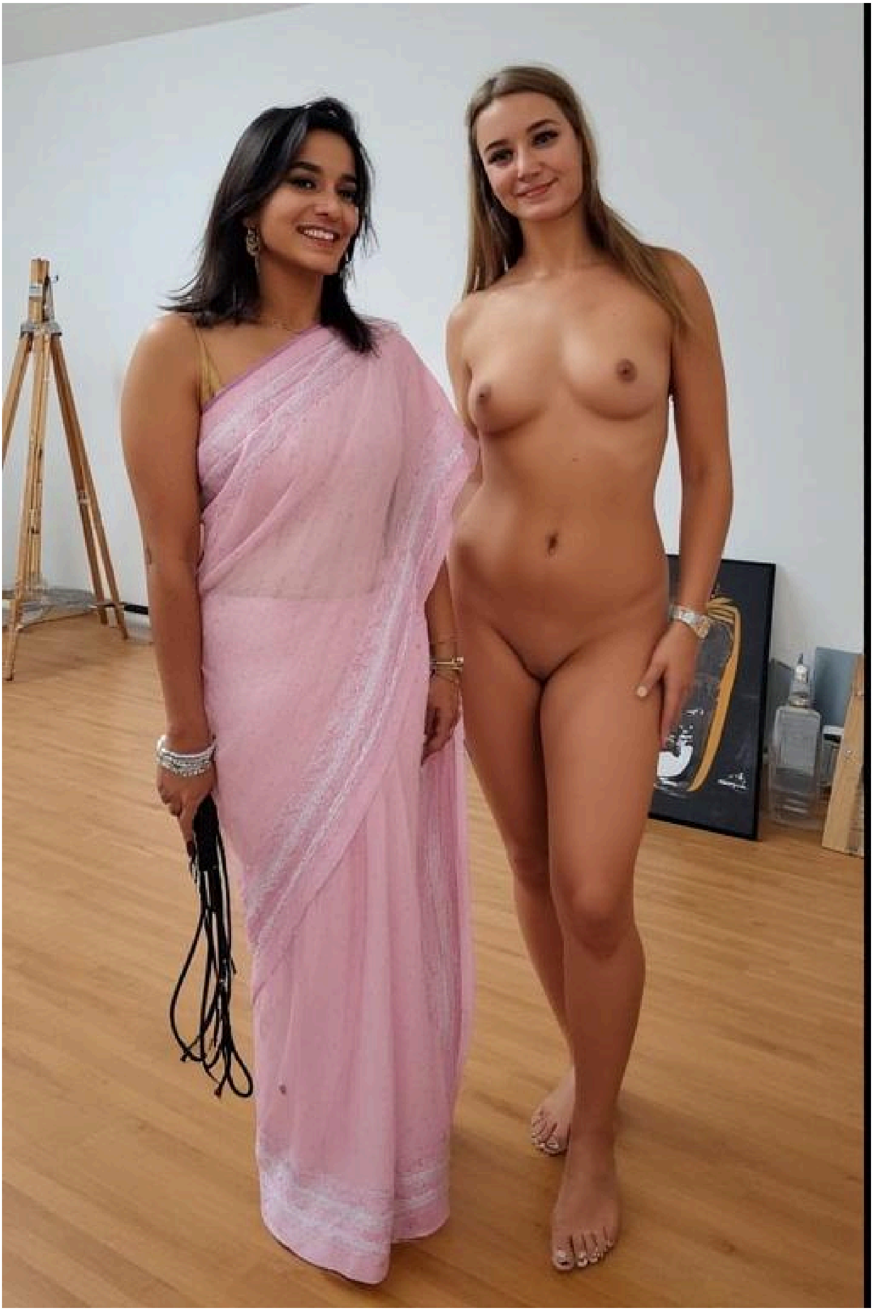


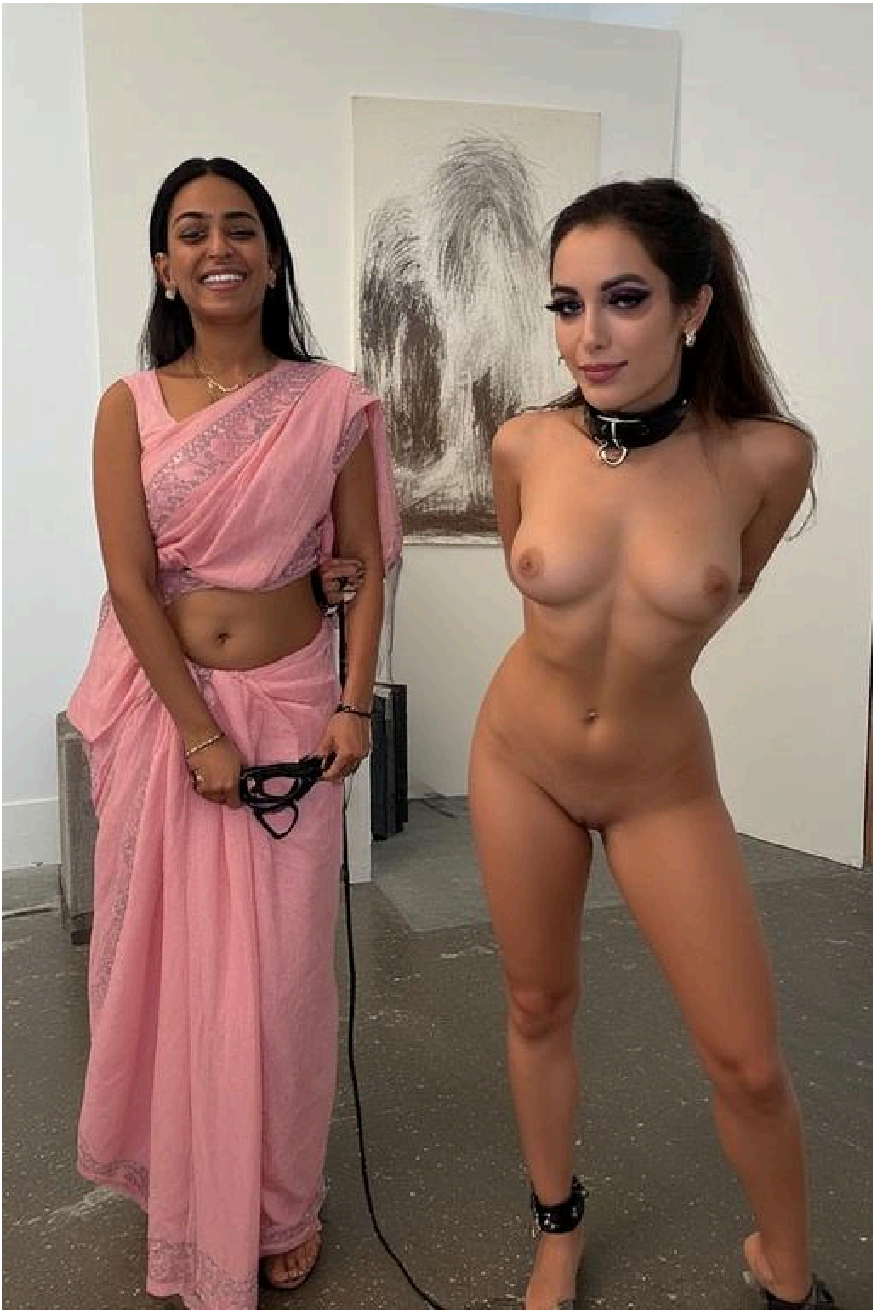
Women of Different Ages

Women look beautiful, no matter what their age.







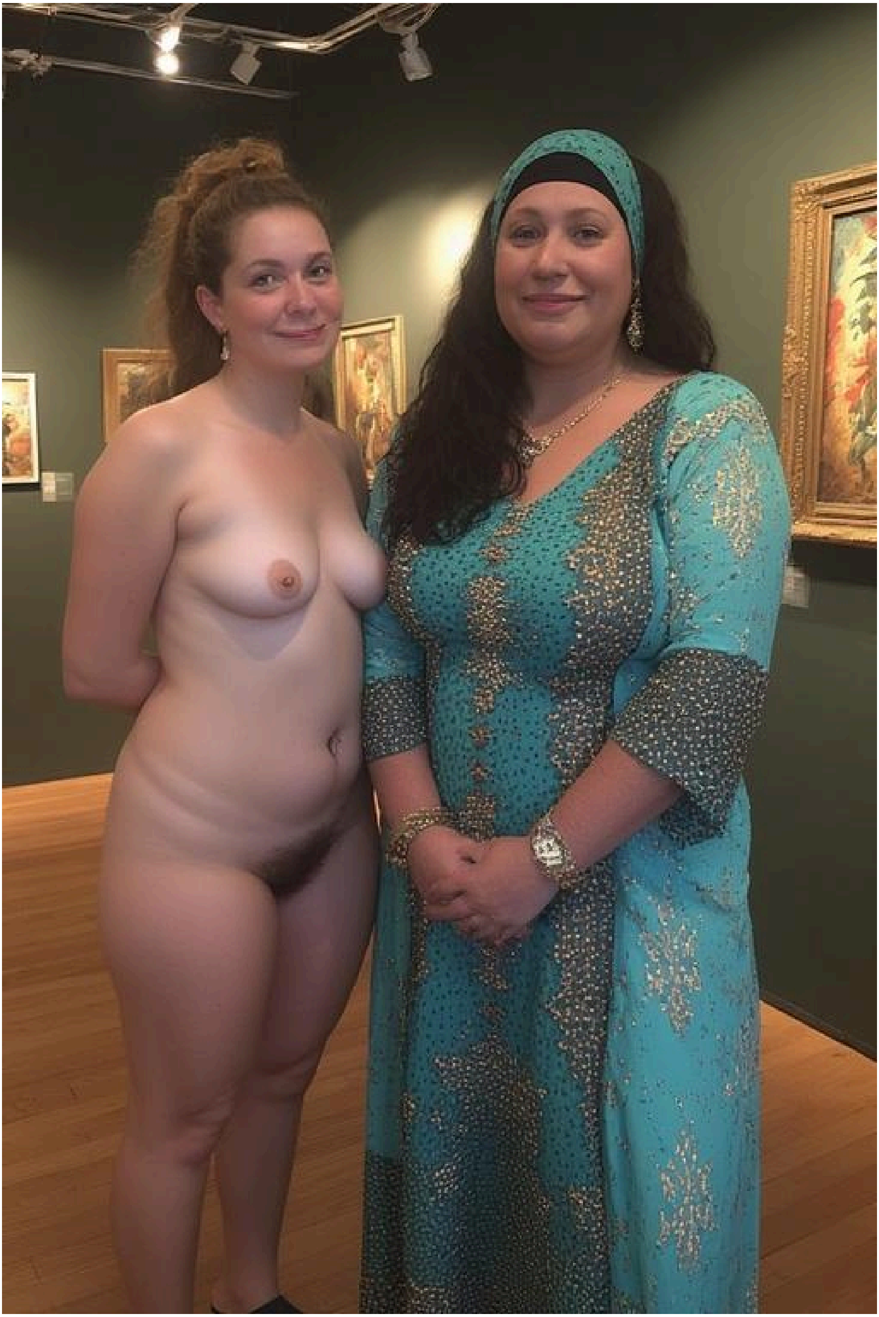


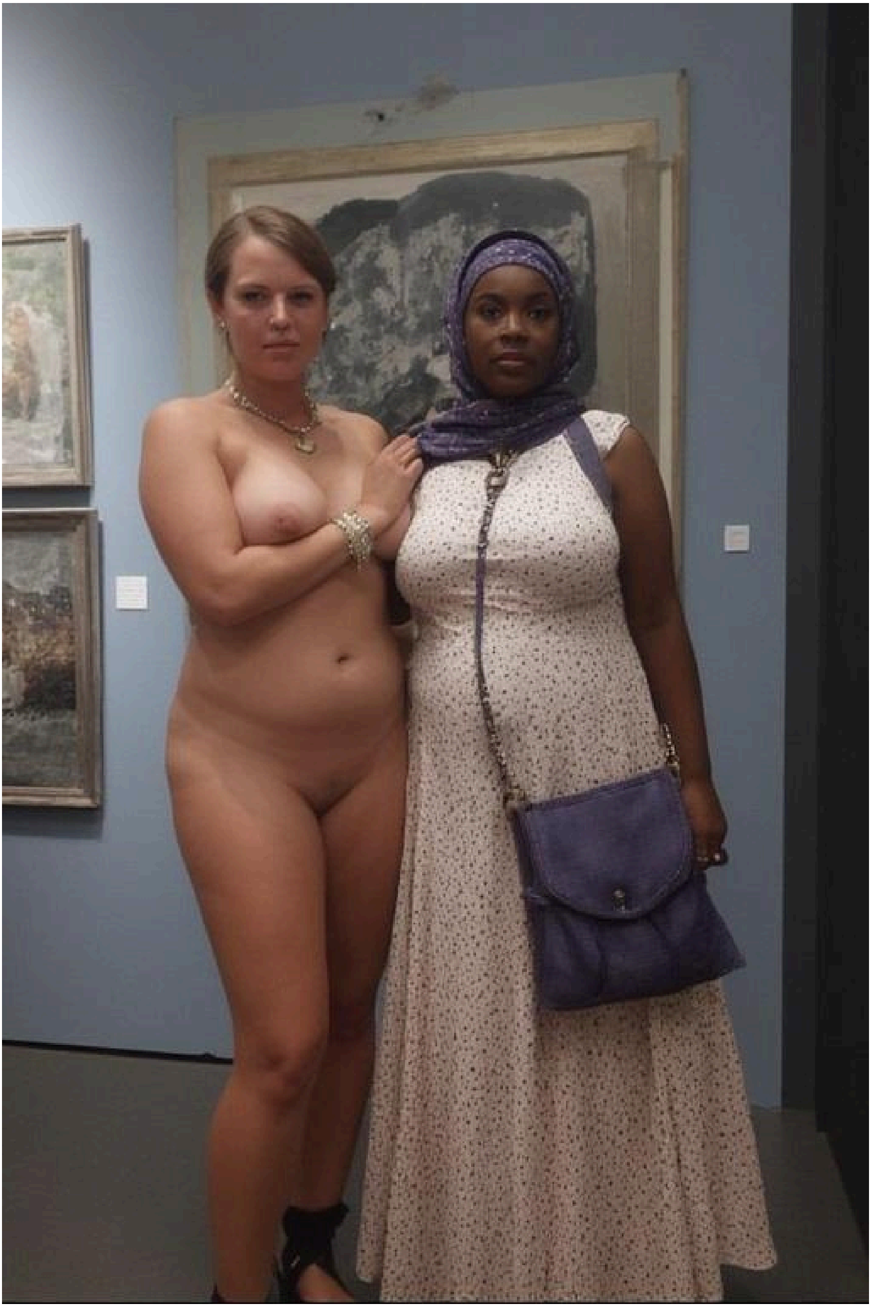
Unclad Women

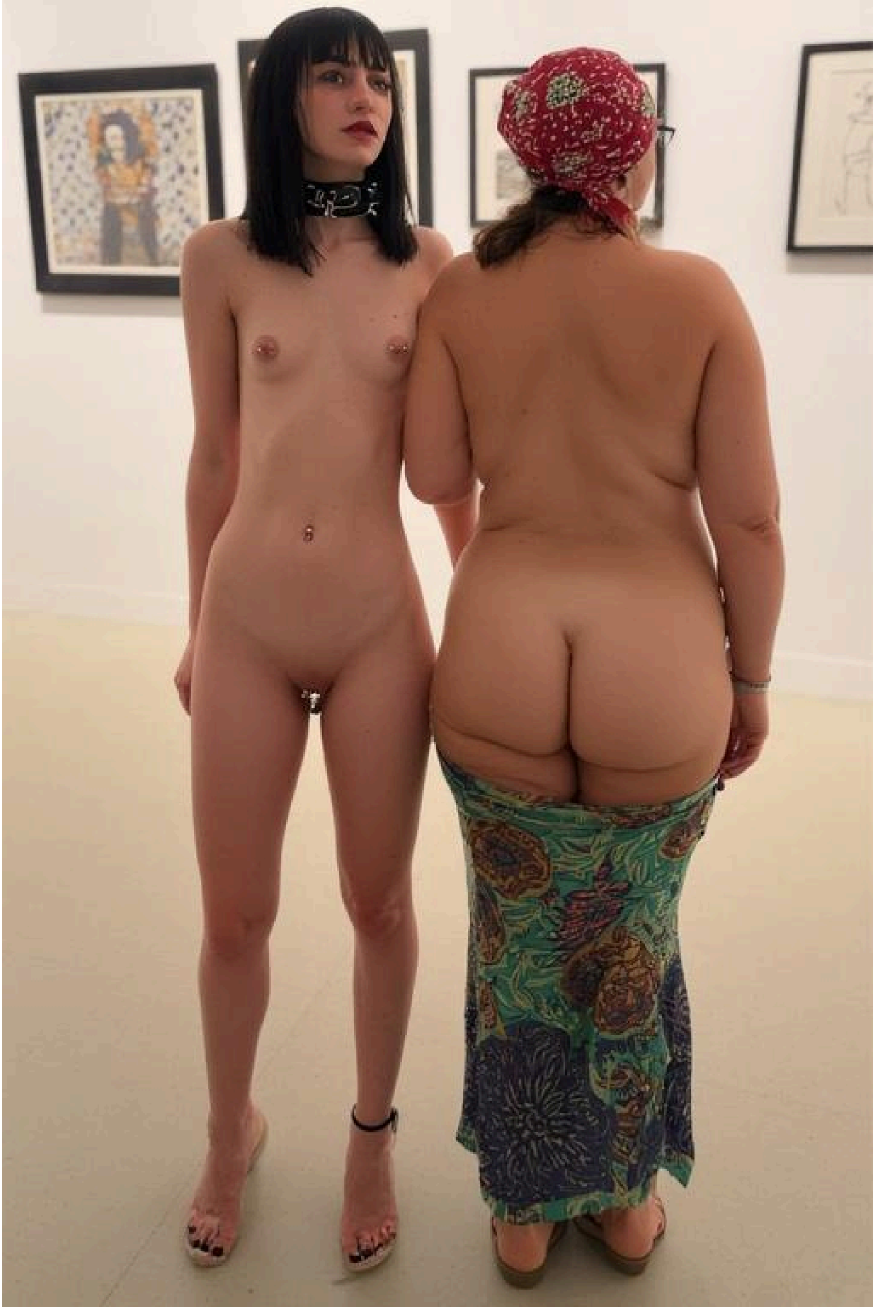
What’s better than the sight of a naked woman? Several naked women!

Clothed Female/Nude Female CFNF

CFNF provides contrast to what a woman looks like in both scenarios.

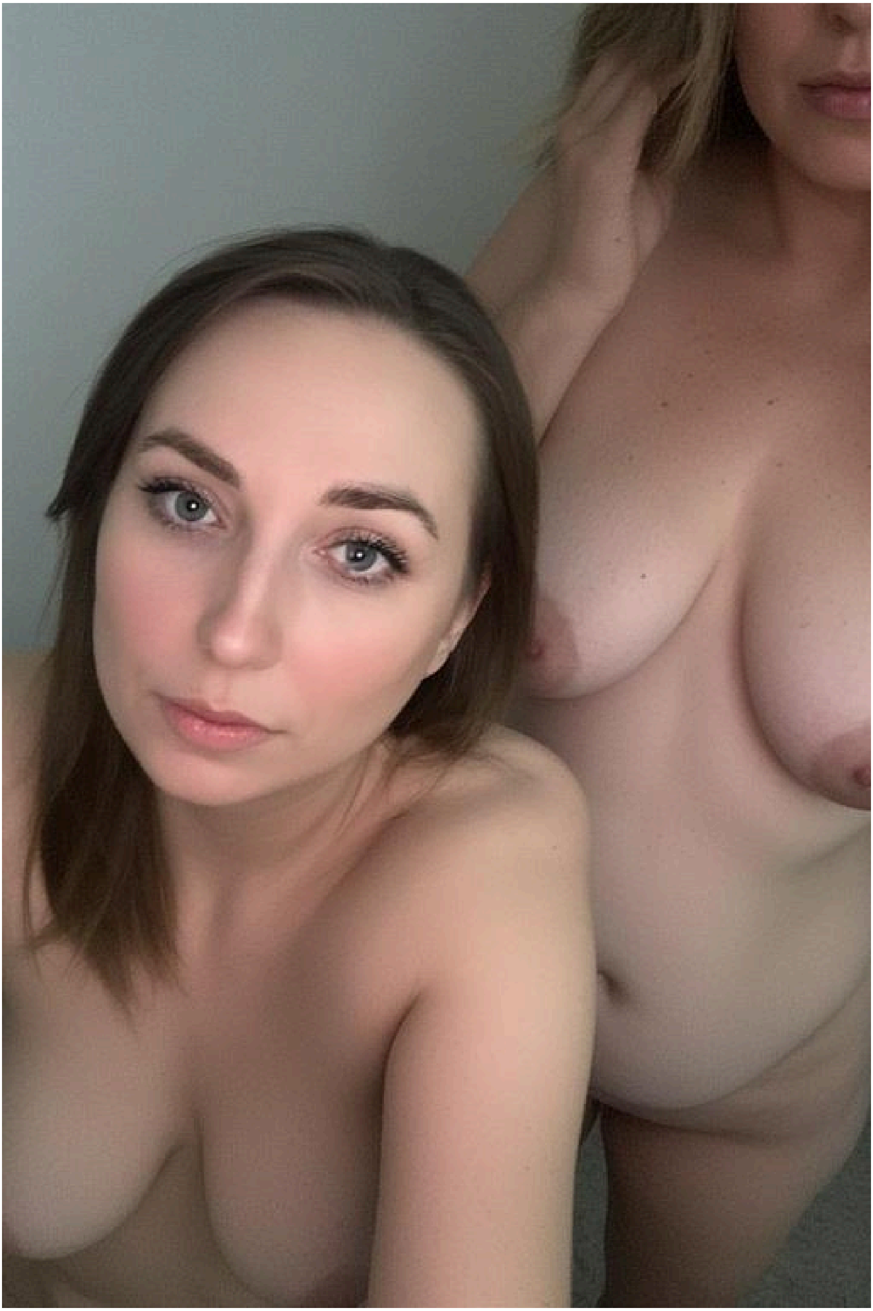


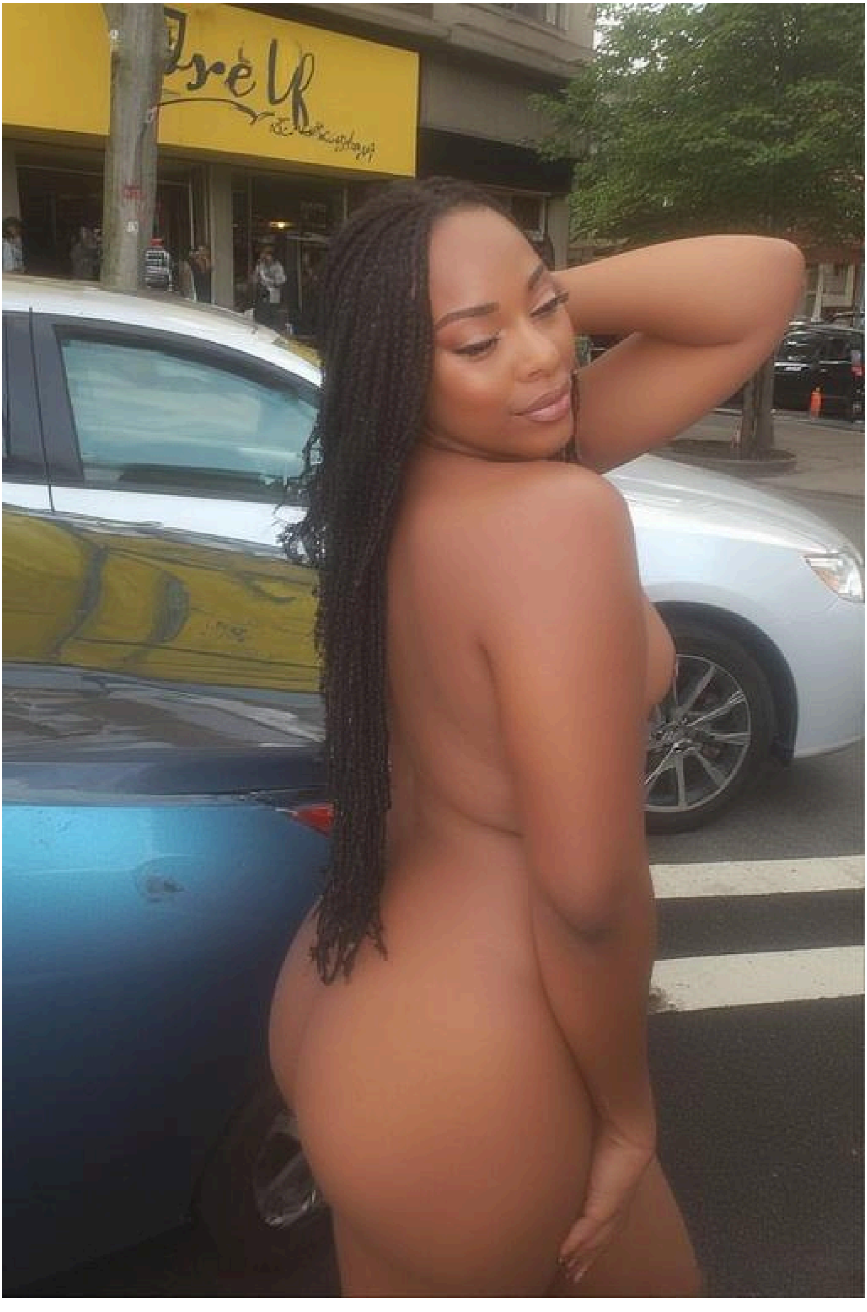


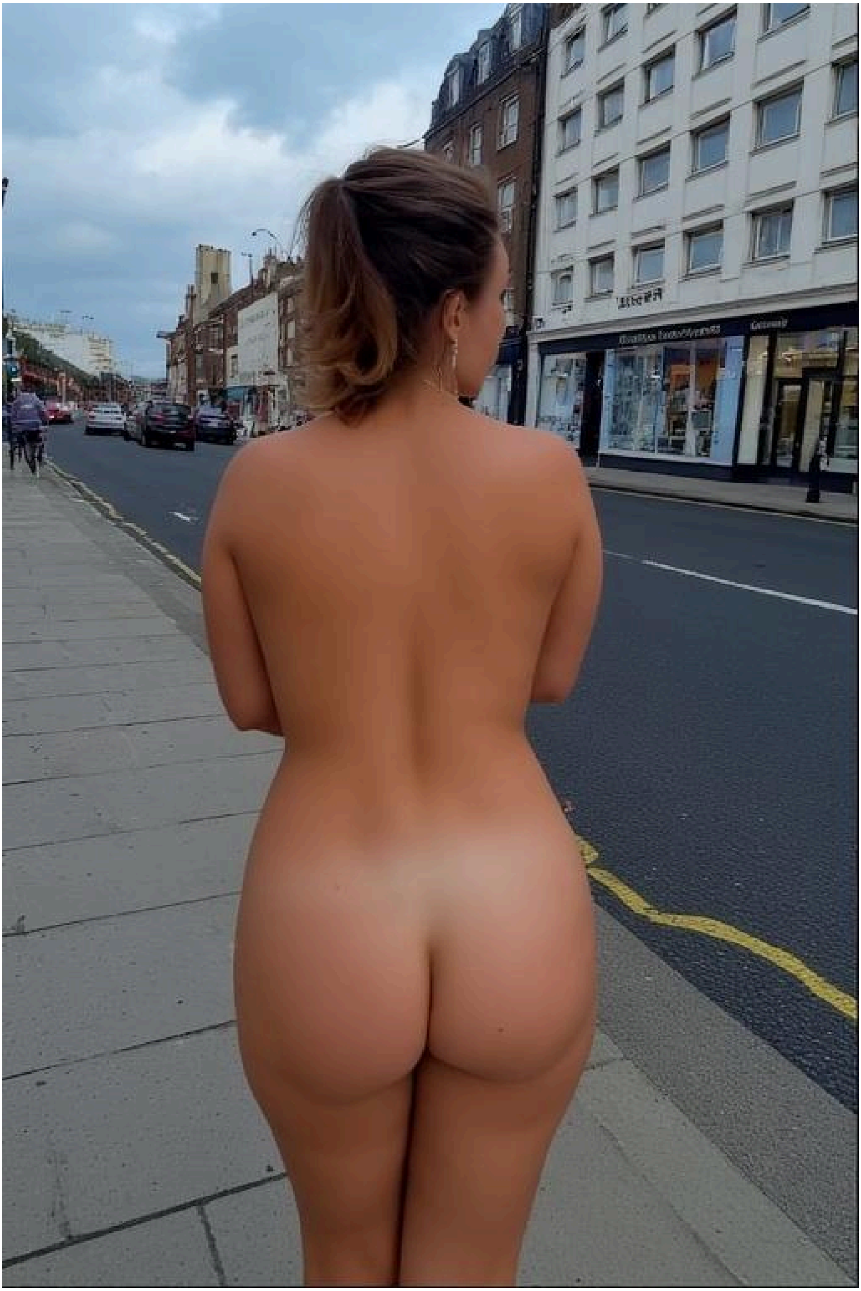


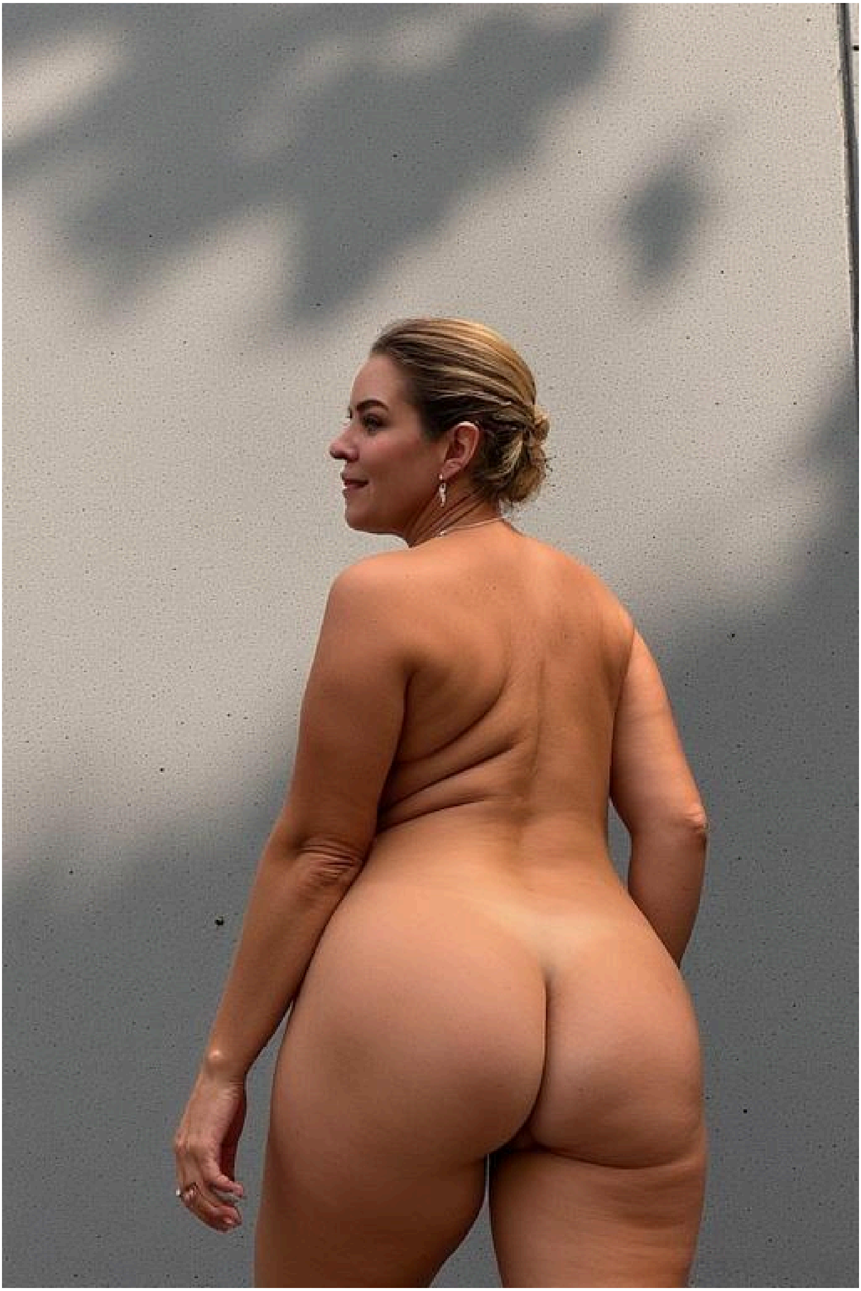
Nude in Public

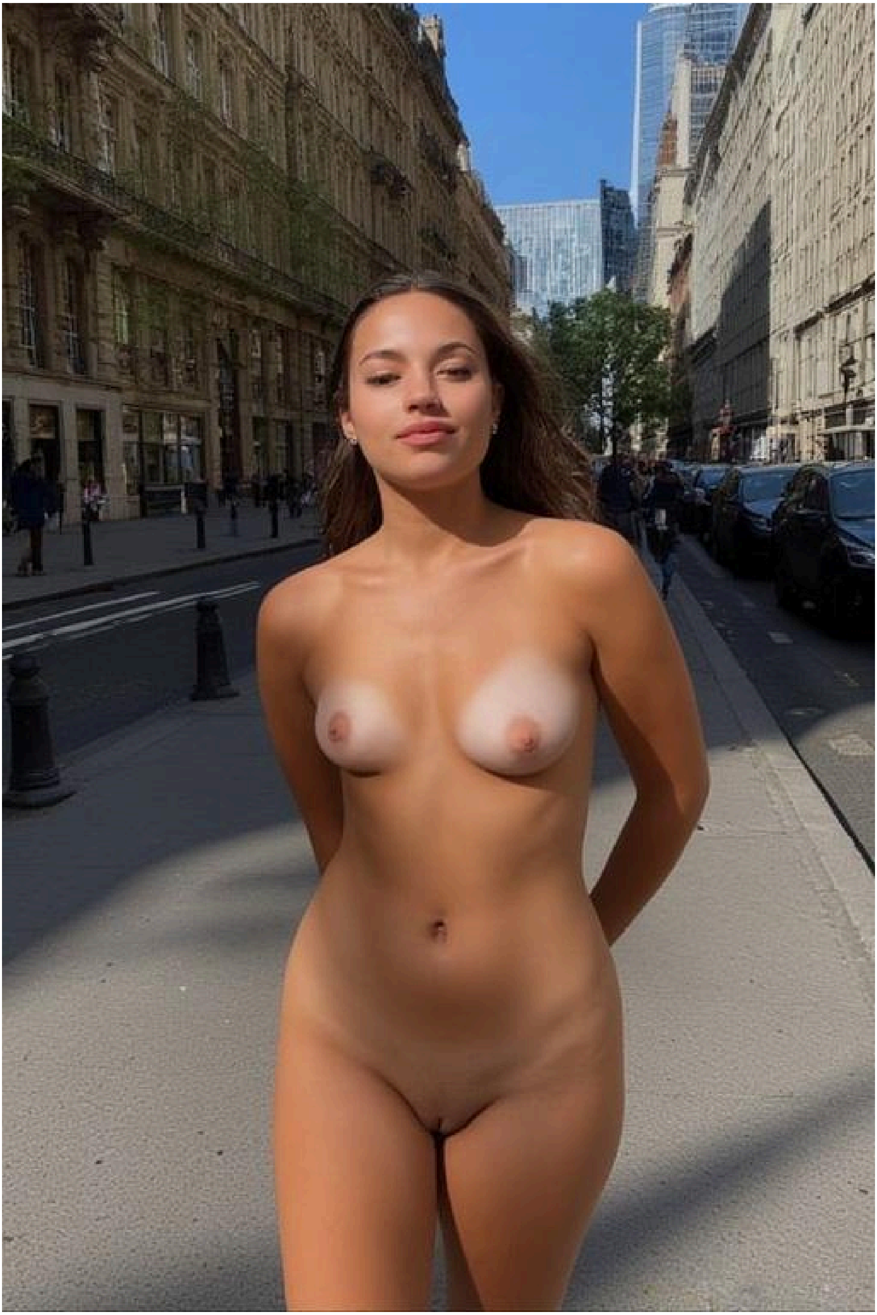
It’s generally agreed that the sight of a live, naked woman brightens up the day for most people. Either that, or she gives you a heart attack. We didn’t want to pay these women, in order to save money. So put an advert in the local newspaper for volunteers to raise awareness for cancer, via public nudity. Our scheme worked and heaps of women volunteered, being only too eager to get their gear off. But a few of the volunteers were too shy or prudes, so they put bikinis on. Still, it was hot to look at them as well. We challenge YOU, dear readers: see if you can get 50-100 women for a nude-in-public march for awareness of ANY of these issues: refugees, world famine, racism, climate change, cancer, dictatorships, air pollution, trans rights, women’s rights, etc, etc, etc. The results might surprise you!

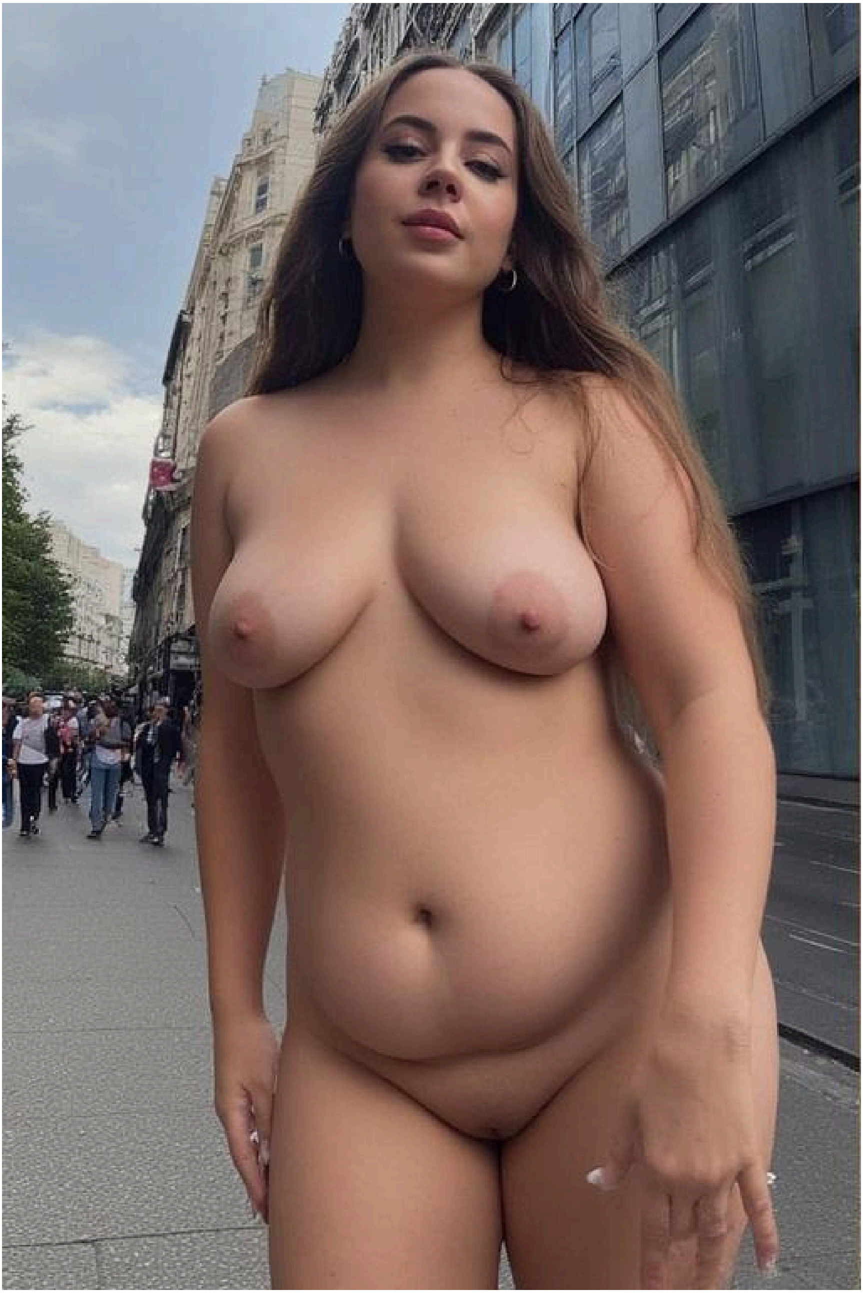


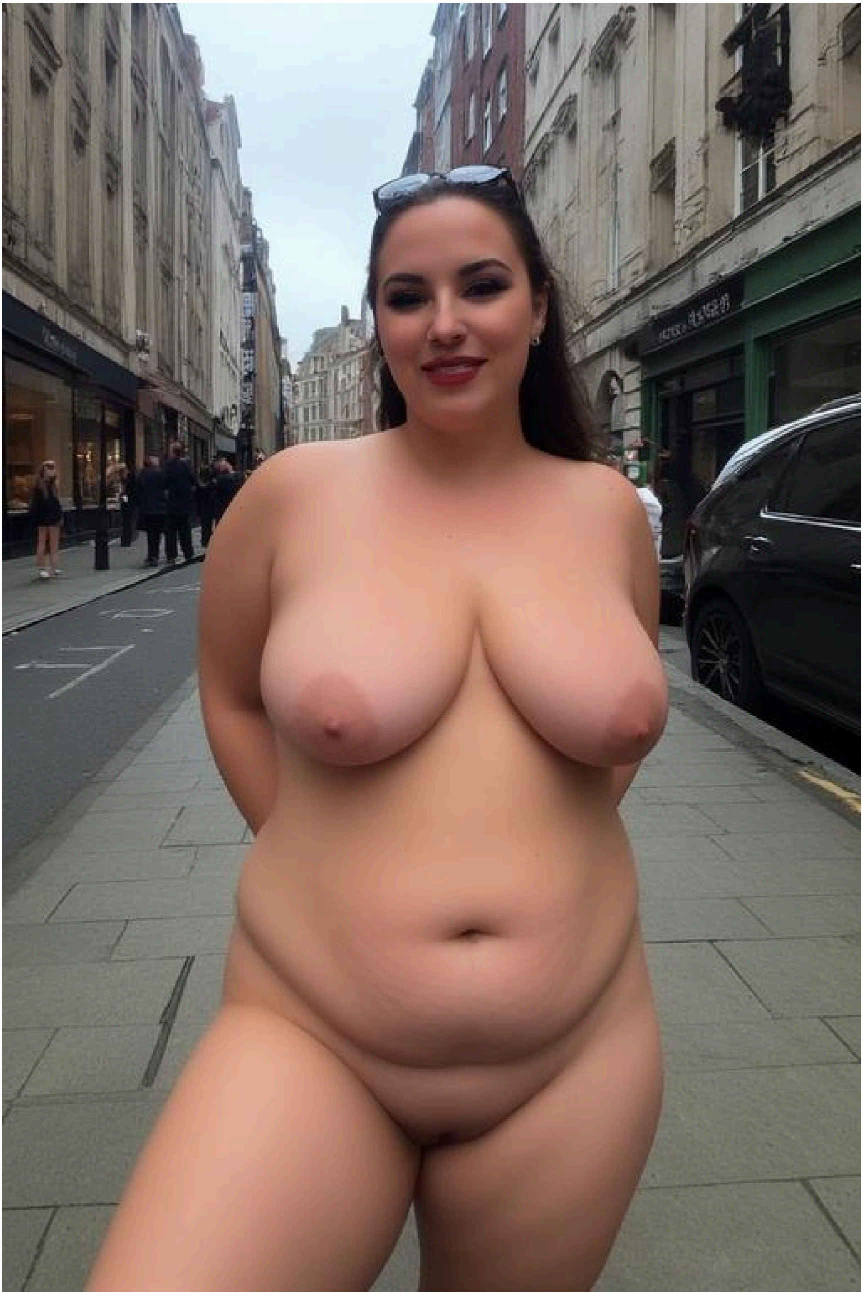


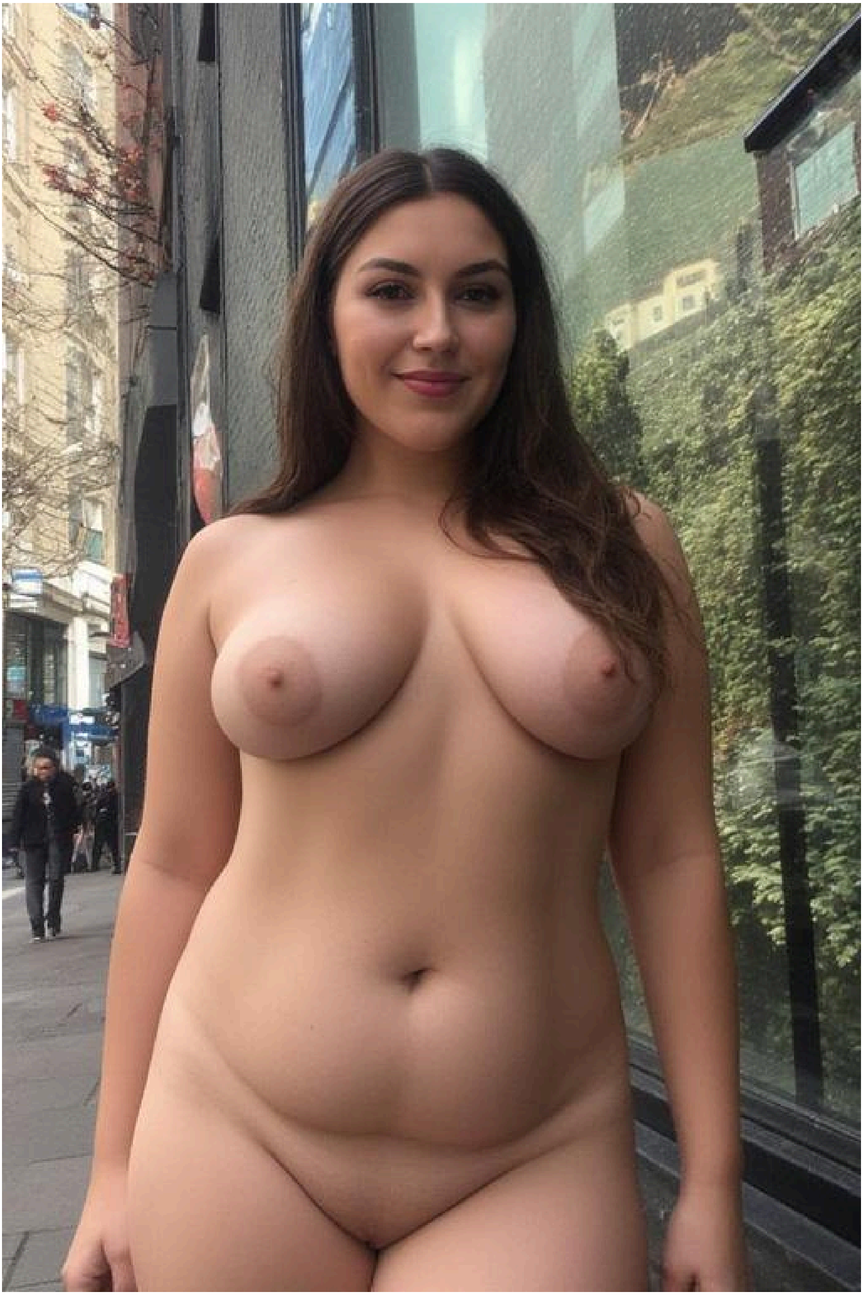


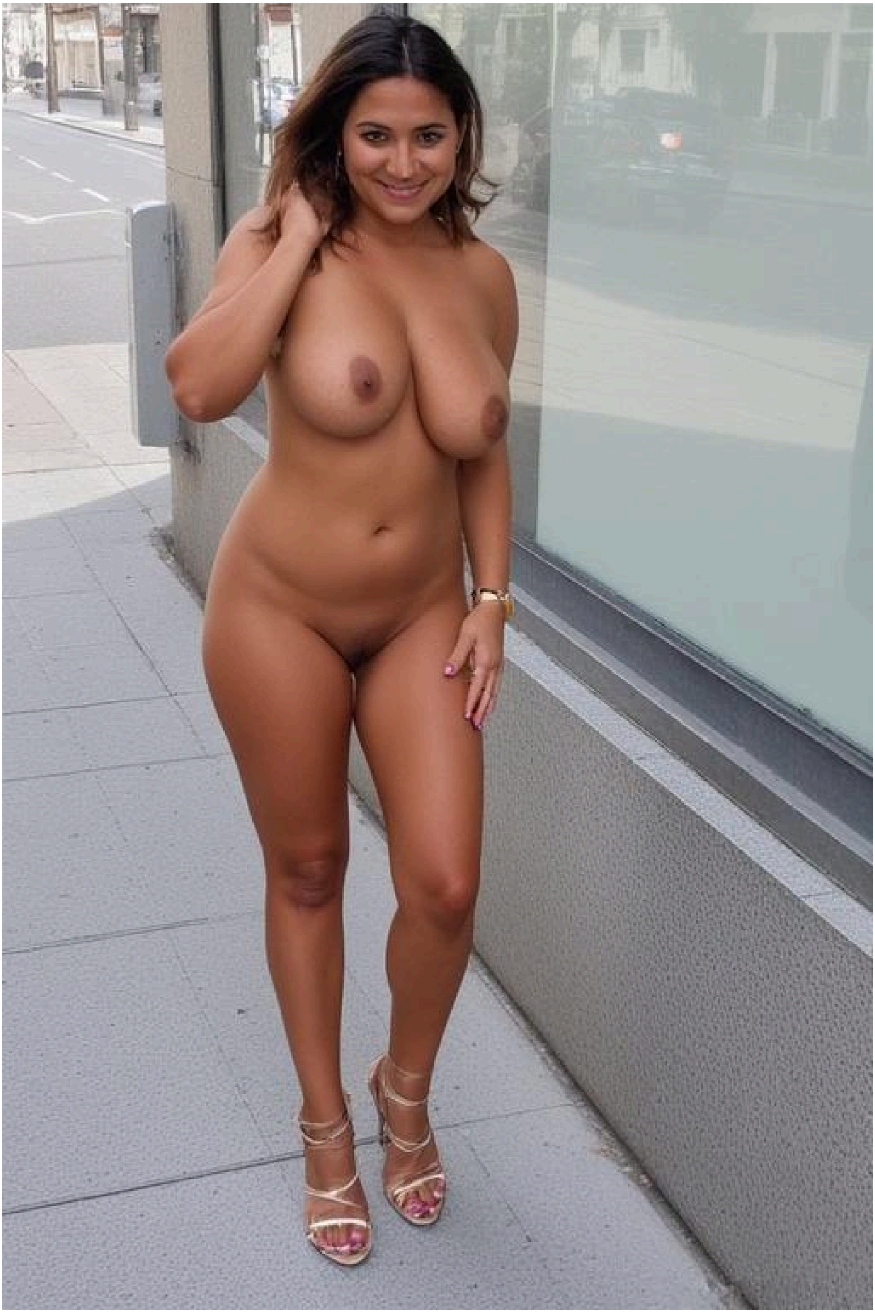












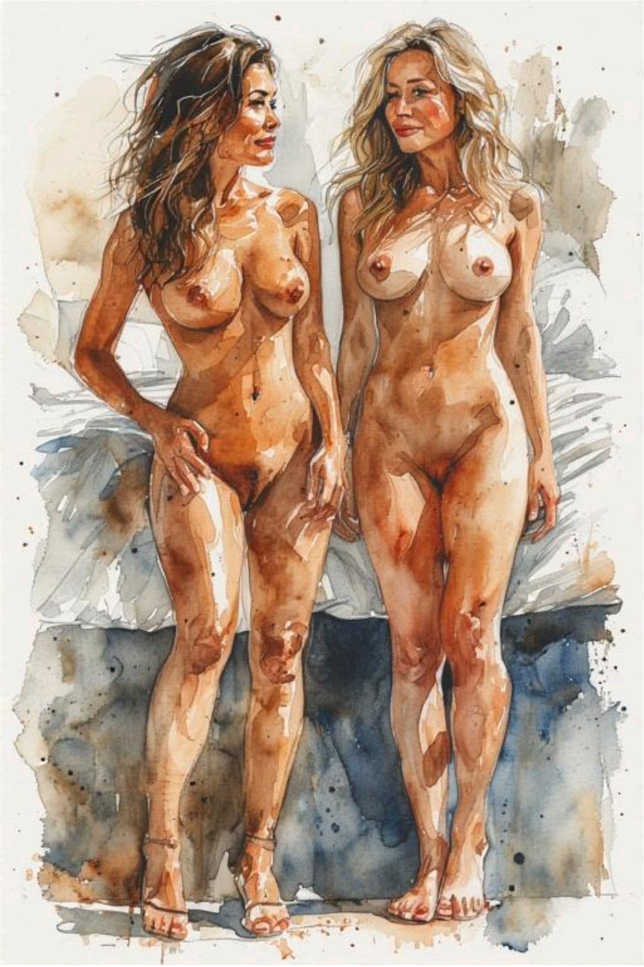
Kneeling Women

The sight of a woman kneeling is an interesting posture. It’s a sign of submission and obedience, which can have erotic overtones. Plus it’s also a good angle to look at a woman from.

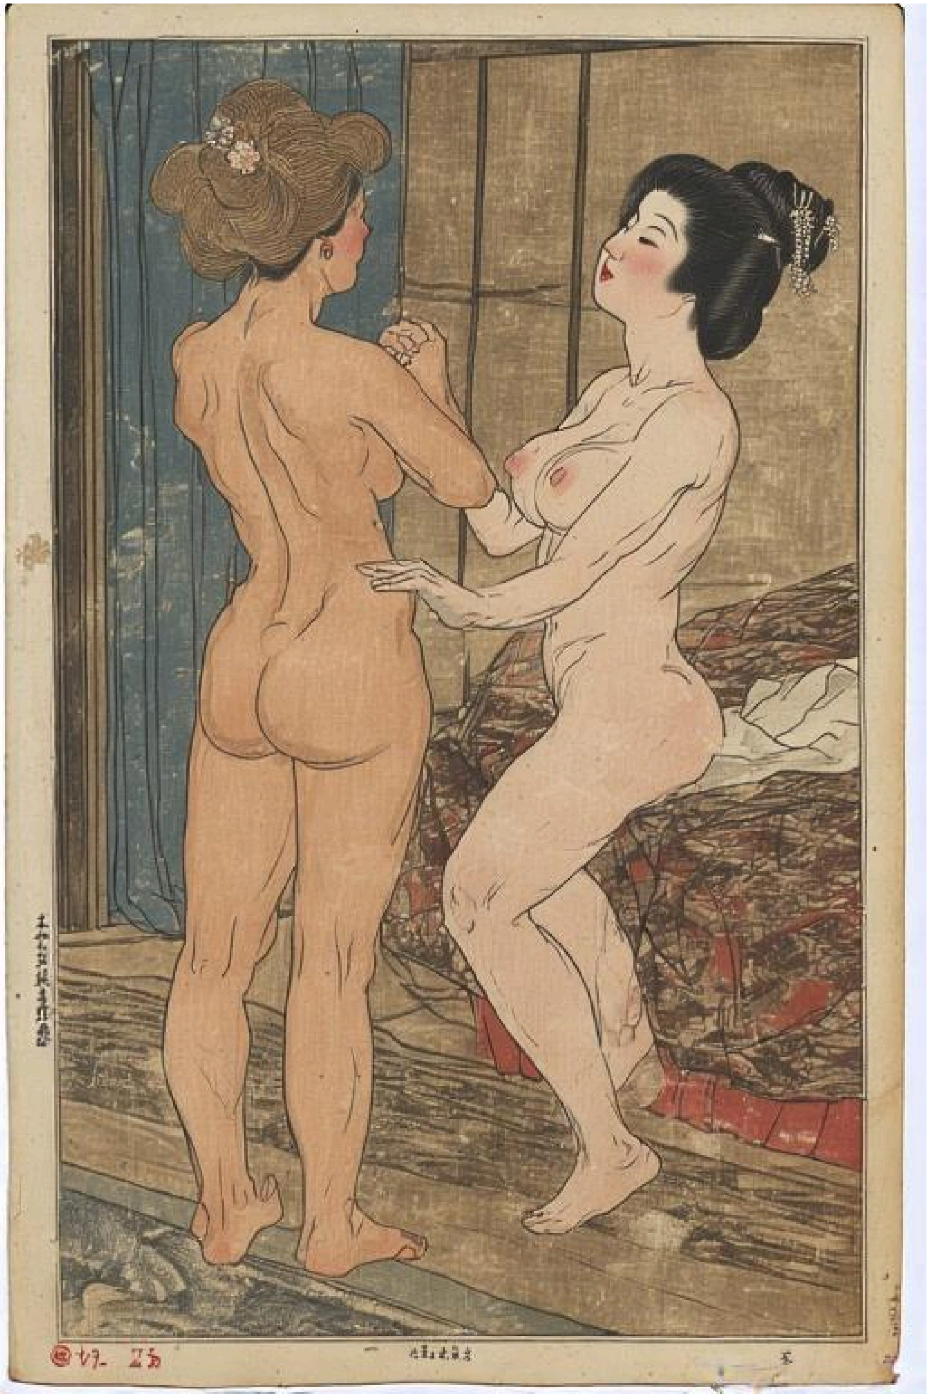
Pretty Models

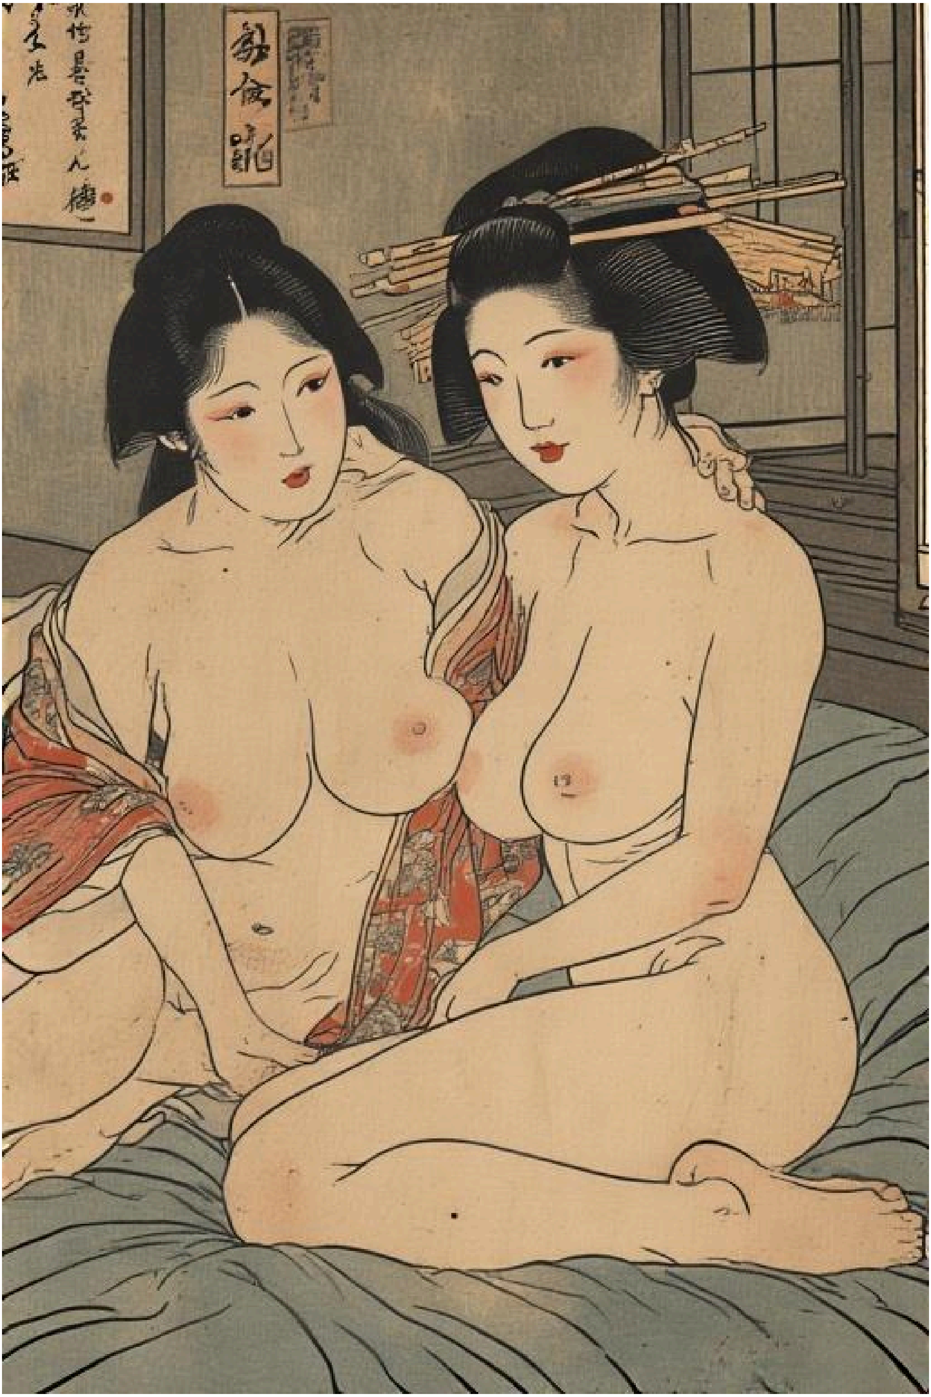
Many women are actually quite pretty. So we decided to include them in this magazine.

Art-Nude Women

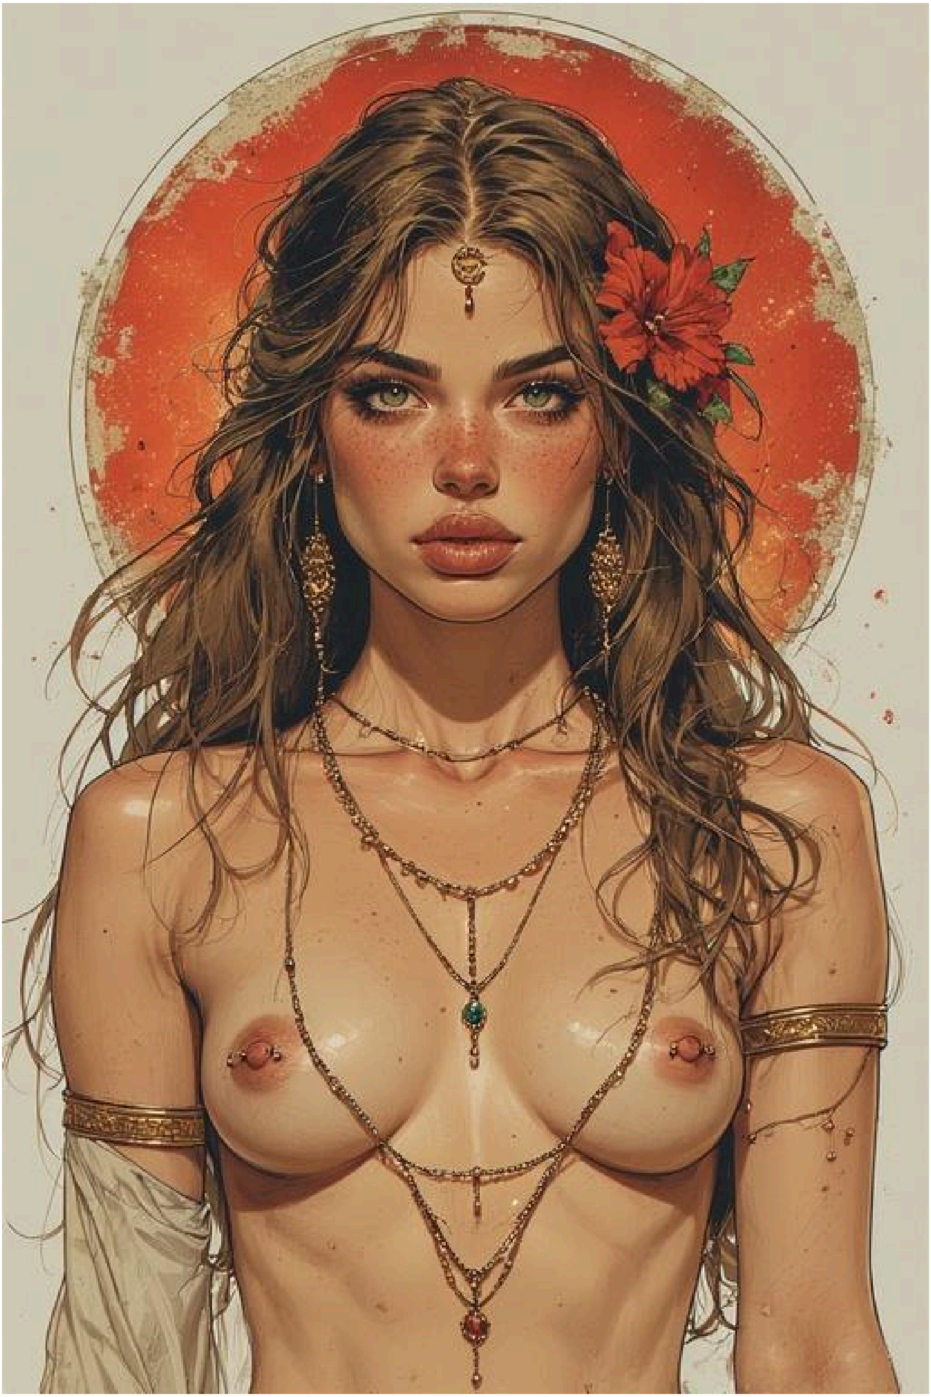


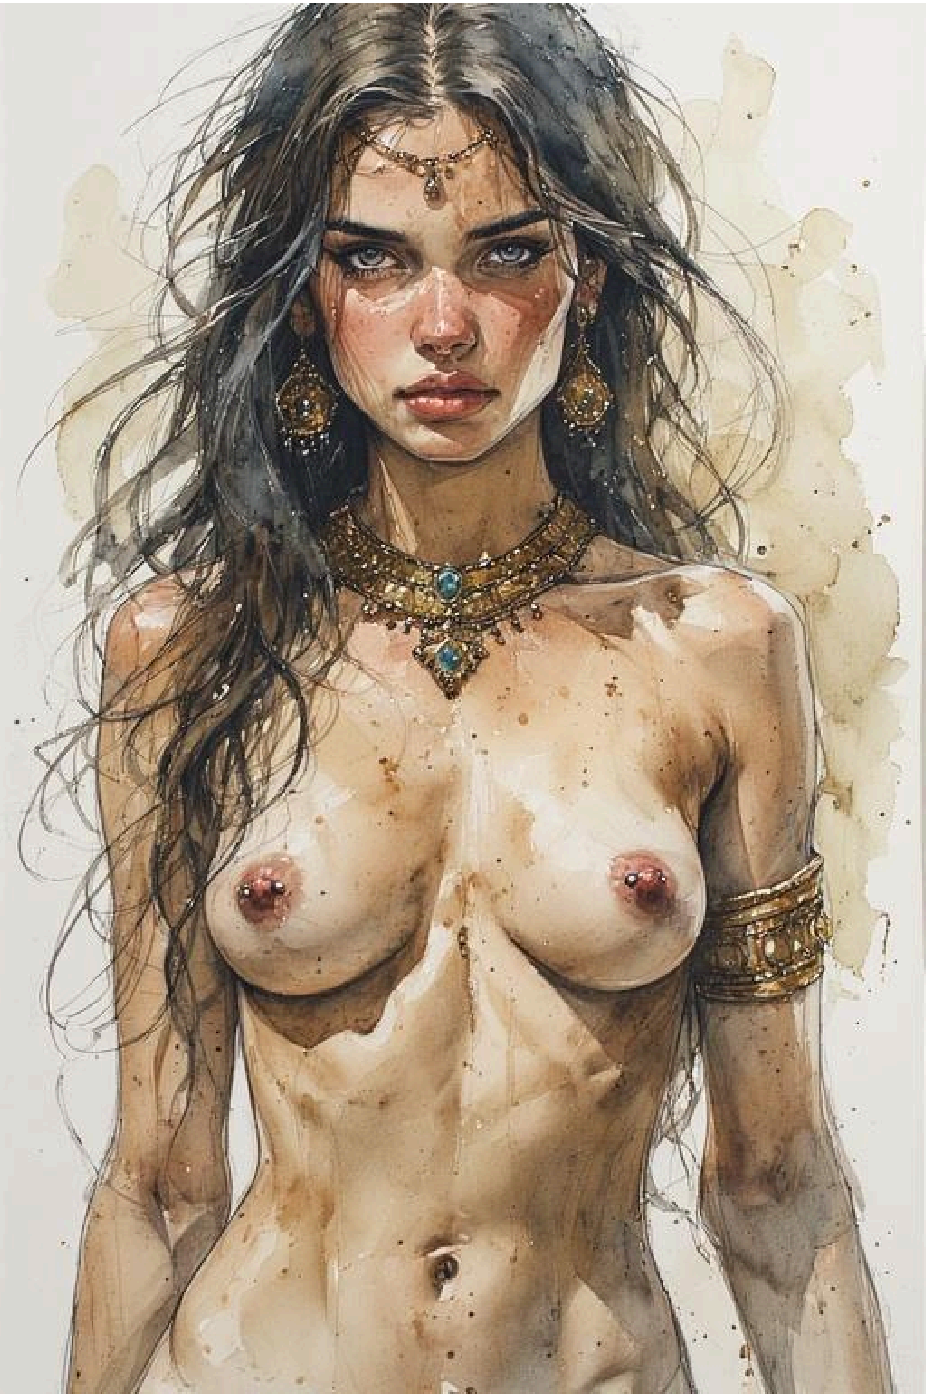
Art is made best using live, naked women. Life models are fun to draw and paint. Join a life modelling class, or start one. Then you can make amazing art!

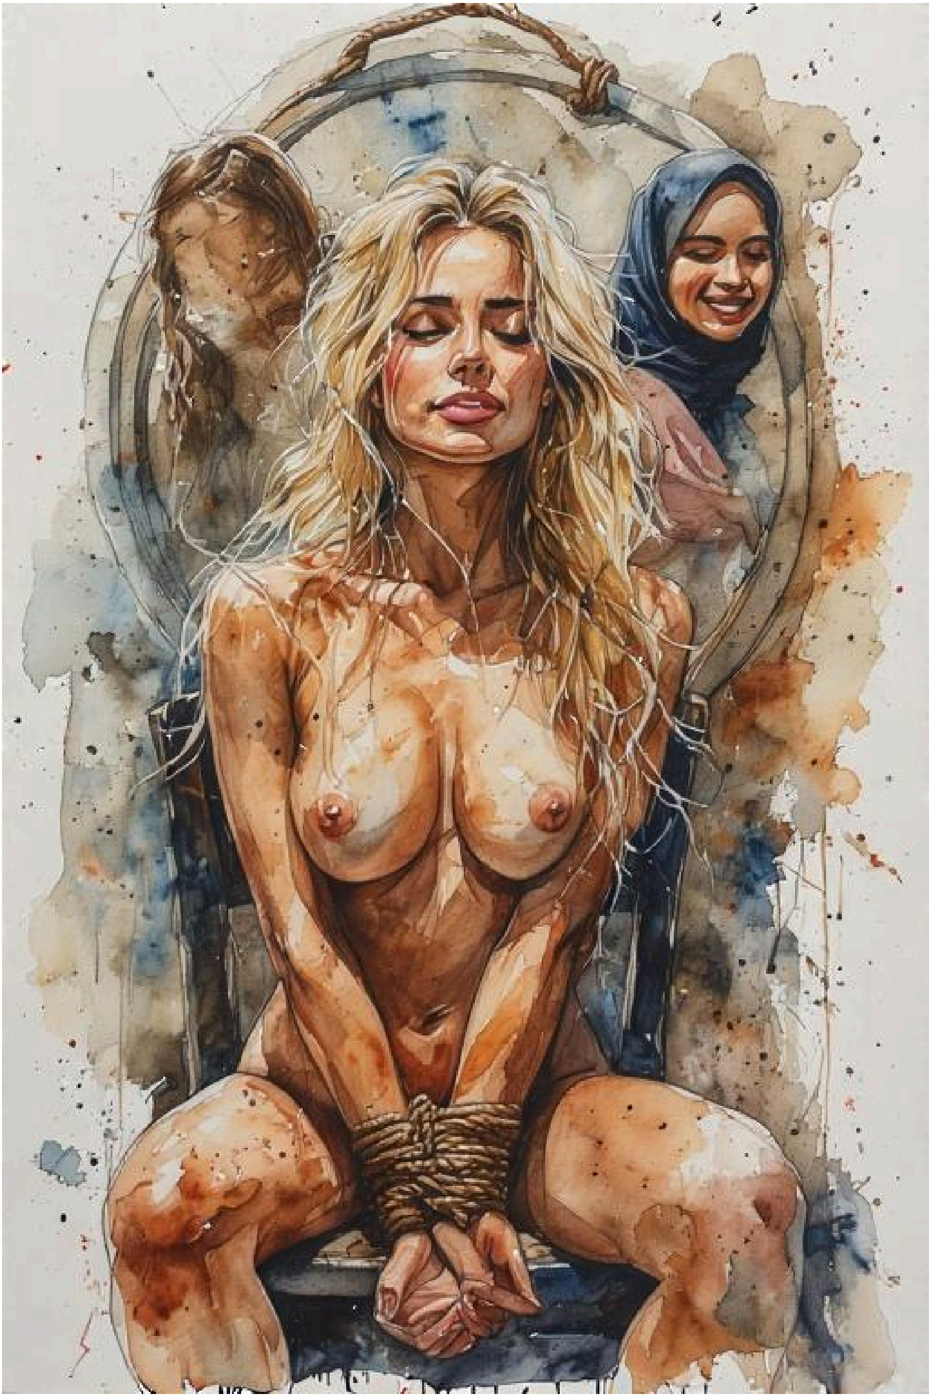


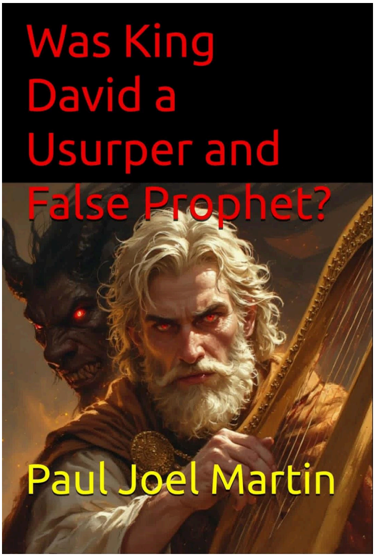


KLUSHIIIVW









A holy king or a monster? A man after God's own heart, or a master manipulator?

Was Samuel a false prophet and an illegitimate priest? Was King David a murderous psychopath, who unjustly usurped the throne from King Saul? Was King Saul as evil as scripture portrays him? Was Solomon doing the will of God when he built the temple?

Paul Joel Martin takes a close look at the Bible for hints. Join him in this detective work of examining the most exalted king in history. Here we will look at the biographies of Israel's last Judge, Samuel, and their first kings: Saul, David and Solomon. This mystery has been hiding in plain sight for over three millennia.

A definitive biography of Samuel, Saul, David and Solomon.

Available on Amazon and Kindle.
